Southern Resistance in Critical Perspective Marcel

Paret, Carin Runciman, Luke Sinwell, 2017-03-27 From the Arab Uprising to anti austerity protests in Europe and the US Occupy Movement to uprisings in Brazil and Turkey resistance from below is flourishing Whereas analysts have tended to look North in their analysis of the recent global protest wave this volume develops a Southern perspective through a deep engagement with the case of South Africa which has experienced widespread popular resistance for more than a decade Combining critical theoretical perspectives with extensive qualitative fieldwork and rich case studies Southern Resistance in Critical Perspective situates South Africa's contentious democracy in relation to both the economic insecurity of contemporary global capitalism and the constantly shifting political terrain of post apartheid nationalism The analysis integrates worker community and political party organizing into a broader narrative of resistance bridging historical divisions between social movement studies labor studies and political sociology

Mintirho ya Vulavula Jabulisile

Mhlambi, Sandile Ngidi, 2021-04-19 Mintirho ya Vulavula Arts National Identities and Democracy examines the role of arts and culture in development and specifically its value in consolidating our nascent democracy and in facilitating the transformation of South African society Contributors to this edited volume interrogate the role of arts culture and heritage from a transdisciplinary perspective enriched by the cross generational perspectives offered by young and older artists cultural practitioners activists and scholars Authors also offer some policy recommendations on how the contribution of arts and culture to social cohesion and nation building can be enhanced

Origin and Evolution of the Cape Mountains and Karoo Basin Bastien Linol, Maarten J. de Wit, 2016-09-03 This book describes the latest research on the geological

geochemical geochronological biological and geomorphic evolution of the unique and relatively pristine landscape of the Cape Mountains and the Karoo Basin a region in South Africa that is currently being targeted for shale gas exploration and development With up to date graphics maps drill core and seismic data it offers the latest observations and synthesis and highlights areas of ongoing research The work presented also considers a wider connection of the Cape Karoo system to

other basins in Central Gondwana including South America thus following in the footsteps of A L du Toit Clearly there is still much to be learned before shale gas development can be considered and this book provides some timely perspectives
