and Ted Ward FROM THE FOREWORD BY LESTER C BLANK JR Introducing Christian Education will become a major resource text for church leaders and Christian education leaders who are professors of Christian education It will be a valuable resource in my personal library The desired outcome will be Psalm 78 72 He cared for them with a true heart and led them with skillful hands *International Journal of Religious Education* ,1924 Teenagers Matter Mark Cannister,2018-08-23 Why Teenagers Matter in the Life of the Church **The Fig Tree Revolution** Bill Mefford,2017-11-06 The locus of God s change and transformation in the world is through local groups of believers immersed in relationships among those directly impacted by injustice Movements for justice throughout history have always been powered by grassroots people with shared passion and vision for concrete change in the face of injustice This book is geared to help local churches to engage in the transformative and missional work of justice Based on the first four chapters in Esther and drawn from real stories of real people creating real change this book is perfect for small groups Sunday school classes student groups or mission teams that want to be inspired and find practical steps to take to mobilize people in their local churches to participate in God s call to change the world Be a part of the movement among God s people for justice Join the Fig Tree Revolution The Invisible Caring Hand Ram Cnaan,2002-08-01 Popular calls to transform our current welfare system and supplant it with effective and inexpensive faith based providers are gaining political support and engendering heated debate about the separation of church and state Yet we lack concrete information from which to anticipate how such initiatives might actually work if adopted Despite the assumption that congregations can help many needy people in our society it remains to be seen how extensive they wish their involvement to be or if they have the necessary tools to become significant providers in the social service arena Moreover how will such practices which will move faith based organizations towards professionalization ultimately affect the spirit of volunteerism now prevalent in America s religious institutions We lack sufficient knowledge about congregational life and its ability to play a key role in social service provision The Invisible Caring Hand attempts to fill that void Based on in depth interviews with clergy and lay leaders in 251 congregations nationwide it reveals the many ways in which congregations are already working beneath the radar to care for people in need This ground breaking volume will provide much sought empirical data to social scientists religious studies scholars and those involved in the debates over the role of faith based organizations in faith based services as well as to clergy and congregation members themselves **Captain's Guide of What Not to Do in Church** Captain James Howard,2006-05 Sometimes when visiting a new place of worship you just don t know what is acceptable behavior or unacceptable Some things that normally go on in one church might never happen in another That s where this book comes in if you follow these easy instructions you will be safe in any church The last thing you want to do is embarrass yourself and others by doing something that would offend others Some things you shouldn t do are obvious others are not So study along with the Captain and find out how you can avoid being laughed at or possibly thrown out of church
