**Political Action in Václav Havel's Thought** Delia Popescu, 2011-12-16 Political Action in Vaclav Havel's Thought The Responsibility of Resistance by Delia Popescu examines resistance to oppression and individual responsibility in political action all in the context of Vaclav Havel's political philosophy The famous anti communist dissident acclaimed playwright former President of the Czech Republic and eminent political thinker argues that there is a certain tendency in modern humanity towards the creation or at least toleration of a political system that is invasive and controlling Not unlike Tocqueville and Arendt Havel claims that modern liberal democracy contains potential tendencies toward a new form of despotism that capitalizes on modern alienation and social atomization Political Action in Vaclav Havel's Thought suggests that Havel's theory of individual opposition can be used to secure political freedom under the conditions of modernity Popescu demonstrates that Havel's idea of attaining true political participation and freedom requires a strong connection between an individually constructed ethics and the realm of politics On this basis she reveals that a thick notion of morality can be usefully integrated into an account of both private and public accountability Vaclav Havel's essays plays speeches and letters can therefore be integrated into a coherent political theory which contributes significantly to some of the central debates in modern political thought Delia Popescu concludes that Havel's theory of individual opposition to totalitarianism may also serve as the foundation for a conception of responsible participation in modern liberal democracies *Open Letters* Václav Havel, 1991 Spanning twenty five years this historic collection of writings shows Vaclav Havel's evolution from a modestly known playwright who had the courage to advise and criticize Czechoslovakia's leaders to a newly elected president whose first address to his fellow citizens begins I assume you did not propose me for this office so that I too would lie to you Some of the pieces in Open Letters such as Dear Dr Husak and the essay The Power of the Powerless are by now almost legendary for their influence on a generation of Eastern European dissidents others such as some of Havel's prison correspondence and his private letter to Alexander Dubcek appear in English for the first time All of them bear the unmistakable imprint of Havel's intellectual rigor moral conviction and unassuming eloquence while standing as important additions to the world's literature of conscience From the Trade Paperback edition **Critical Essays on Václav Havel** Marketa Goetz-Stankiewicz, Phyllis Carey, 1999 A collection of critical essays on a Czech playwright and president showing him from various perspectives Contributions range from political analyses and historical assessments to linguistic interpretations tributes and personal memories Themes include connections between his writing and his political career his political thought analysis of specific plays Havel in the minds of his countrymen and Havel on the role of the president Annotation copyrighted by Book News Inc Portland OR **Albert Camus** John Foley, 2014-12-05 Adopting an interdisciplinary approach encompassing philosophy literature politics and history John Foley examines the full breadth of Camus ideas to provide a comprehensive and rigorous study of his political and philosophical thought and a significant

contribution to a range of debates current in Camus research Foley argues that the coherence of Camus thought can best be understood through a thorough understanding of the concepts of the absurd and revolt as well as the relation between them This book includes a detailed discussion of Camus writings for the newspaper Combat a systematic analysis of Camus discussion of the moral legitimacy of political violence and terrorism a reassessment of the prevailing postcolonial critique of Camus humanism and a sustained analysis of Camus most important and frequently neglected work *L'Homme révolte* The Rebel

Open Letters Havel Václav, 1991 **Václav Havel : Open Letters 1965-1990** Václav Havel, 1991 **Letters to Olga** Václav Havel, 1988 Václav Havel, Living in Truth Václav Havel, 1989 **Summer Meditations** Václav Havel, 1992 In a book written while he was president of Czechoslovakia Václav Havel combines the same powerful eloquence moral passion and abiding wisdom that informed his writing as a dissident and playwright with a candor unprecedented from one with the broad perspective and infinite responsibility of governing a country Havel now president of the Czech Republic addresses the legacy of Communism as the euphoria of the Velvet Revolution gives way to a more problematic reality Yet even as he grapples with the challenges of political change he affirms his belief in a politics motivated by moral responsibility in an economy tempered by compassion and in the central roles of art and culture in the transformation of society *Summer Meditations* is not only a timely and necessary testament of events in Eastern Europe but a profound reflection upon the nature and practice of politics and a stirring call for morality civility and openness in public life throughout the world

**The Memorandum** Václav Havel, 1980 The Memorandum is a remarkably witty assault on the madness of efficiency peculiar to total bureaucracy In a large office and unknown to the Managing Director a new language called Ptydepe is installed as the official means of inter office communication

The Power of the Powerless Václav Havel, John Keane, 1985-01 **Václav Havel** Václav Havel, 1990 Gathers essays by the Czech playwright and includes writings by other authors in his honor

*The Increased Difficulty of Concentration* Václav Havel, 1972 A satire about the role of sex in a dehumanised technological society A social scientist torn between the demands of his wife a mistress and a secretary finds it increasingly difficult to keep himself together and them apart Complicating his life still further is a pinball machine size calculator which has chosen him as a Random Sample to be questioned Book jacket

**The Art of the Impossible** Václav Havel, 1997 There is no shortage of politicians who make a habit of shooting from the hip but it is much rarer to find one who speaks from the heart Václav Havel knows no other way to speak or to write Both as a dissident and as a playwright it was his sworn purpose for many years to combat evil with nothing but truth As president of Czechoslovakia and now of the Czech Republic he has clung to that habit refusing to turn over

either his conscience or his voice to political handlers and professional speechwriters Instead he assumes the additional burden for him it is a distinct pleasure of composing all of his oratory Audiences from New York to New Delhi Oslo to Tokyo have been the luckier for his decision This volume consists of thirty five of these essays written between the years 1990 and 1996 that manage to be both profoundly personal and profoundly political Havel writes of totalitarianism its miseries and the nonetheless difficult emergence from it He describes how his country and the other postcommunist countries are learning democracy from scratch and are encountering obstacles from inside and out He marvels at the single technology driven civilization that envelops the globe and the challenges this presents to multicultural realities He invokes the duty of every person alive to prevent hatred and fear from derailing history ever again He acknowledges the advantage it is for doing a good job as president to know that I do not belong in the position and that I can at any moment and justifiably be removed from it And he reminds us that contrary to all appearances common sense moderation responsibility good taste feeling instinct and conscience are not alien to politics but are the very key to its long term success **Sorry ...** Václav Havel, 1978

**Summer Meditations** Václav Havel, 1992-01 Eighteen months after becoming Czechoslovakia's president Václav Havel reflects candidly on his first experience as a democratic politician He also discusses issues which have become increasingly urgent throughout the former communist bloc such as national rivalries and economic transition **Largo Desolato** Václav Havel, 1987 Havel dramatizes the dilemma of the intellectual in a totalitarian country
