

The background is a vibrant collage of various shades of pink and red. It features numerous heart shapes of different sizes, some solid and some outlined. Interspersed among the hearts are several translucent, 3D-style bubbles. The overall aesthetic is romantic and festive, typical of Valentine's Day decorations.

Valentine Episodes Guide:

That's What She Said! a Guide to Using "The Office" to Demonstrate Management Parables, Organizational Behavior and Human Resource Management Topics i Robert G. DelCampo, Kristie M. Boudwin, Sherri L.

Hines, 2007-12-01 In watching NBC's The Office one can reflect on the common office place interplay and recall their own similar situations in their own work environments How many times has a worker goofed off when the boss is out of the office or played a potentially damaging prank on a co worker Herein lies the inspiration for this book The Office An American Workplace as the pilot episode was originally titled is a humorous and sometimes entirely too accurate portrayal of the American Workplace and therein an ideal demonstration of many topics that are taught in today's business schools Most obviously topics of Organizational Behavior and Human Resource Management are demonstrated but the list does not end there The pedagogical use of The Office is not limited to the examples in this text but only by one's imagination This book sets out to inform OB HR instructors about the entertaining and informative use of The Office for use in their classroom

The Great Gildersleeve Clair Schulz, 2013-02-01 When Throckmorton P Gildersleeve bade farewell to Fibber McGee and Molly and left Wistful Vista on a train in 1941 no one could have predicted that he would be riding the airwaves with his own new show until 1957 But when one listens to episodes of radio's first spinoff it becomes clear the The Great Gildersleeve succeeded because its likable and amusing characters were appealingly fallible much like the folks each of us knew in our hometowns This book is a guide to more than 500 episodes of The Great Gildersleeve that are in circulation and also to the scripts of 46 episodes for which no recordings exist Background on the development of the program is included and the appendices include a list of episodes as well as information about cast members notable occurrences on the program ratings and the films and TV series **Soil Survey of Todd County, South Dakota** Robert F. Springer, 1974 **Private Screenings** Lynn Spigel, Denise Mann, 1992 While much research into television has been historical textual or empirical this volume approaches the topic from a sociocultural and feminist perspective to address important questions from the viewpoint of the audience as well as from that of the industry The contributors examine the ways in which the television industry seeks to deliver a female audience to its advertisers while inserting itself into women's lives both at home and in the marketplace hence the concept of a private screening in which the outside media world is brought into the personal space The volume analyzes how television delivers consumption to its female audience by displaying commodities and lifestyles that attempt to engender an idealized sense of community and how audiences understand television programming and how these programs construct definitions of femininity *Soil Survey of Logan County, Nebraska* Merritt Alexander Plantz, Lester E.
