**Infected Empires** Patricia Saldarriaga,Emy Manini,2022-04-15 Given the current moment polarized populations increasing climate fears and decline of supranational institutions in favor of a rising tide of nationalisms it is easy to understand the proliferation of apocalyptic and dystopian elements in popular culture Infected Empires examines one of the most popular figures in contemporary apocalyptic film the zombie This harbinger of apocalypse reveals bloody truths about the human condition the wounds of history and methods of contending with them Infected Empires considers parallels in the zombie genre to historical and current events on different political theological and philosophical levels and proposes that the zombie can be read as a figure of decolonization and an allegory of resistance to oppressive structures that racialize marginalize disable and dispose of bodies Studying films from around the world including Latin America Asia Africa the US and Europe Infected Empires presents a vision of a global zombie that points toward a posthuman and feminist future

*Film Comedy* Geoff King,2002 Comedy is one of the most popular forms in film But what exactly is film comedy and what might be the basis of its widespread appeal This book takes a multi perspective approach to answering these questions

*Film, Comedy, and Disability* Alison Wilde,2018-09-09 Comedy and humour have frequently played a key role in disabled people s lives for better or for worse Comedy has also played a crucial part in constructing cultural representations of disability and impairments contributing to the formation and maintenance of cultural attitudes towards disabled people and potentially shaping disabled people s images of themselves As a complex and

often polysemic form of communication there is a need for greater understanding of the way we make meanings from comedy This is the first book which explores the specific role of comedic film genres in representations of disability and impairment Wilde argues that there is a need to explore different ways to synthesise Critical Disability Studies with Film Studies approaches and that a better understanding of genre conventions is necessary if we are to understand the conditions of possibility for new representational forms and challenges to ableism After a discussion of the possibilities of a fusion between Disability Studies and Film Studies and a consideration of the relationships of comedy to disability Wilde undertakes analysis of contemporary films from the romantic comedy satire and gross out genres Analysis is focused upon the place of disabled and non disabled people in particular films considering visual audio and narrative dimensions of representation and the ways they might shape the expectations of film audiences This book is of particular value to those in Film and Media Studies and Critical Disability Studies especially for those who are investigating more inclusive practices in cultural representation
