 Dr.Mehdi Vazeen MD,Dr.S.M.Munirul Huq,2014-11-07 Cataract ranks high among the diseases that cause visual disability
 and blindness in the world Cataract surgery is the most common surgery performed by an Ophthalmologist
 Phacoemulsification is the state of the art in cataract surgery Learning the technique of phacoemulsification is a major
 challenge for the trainee and new ophthalmic surgeons Mastering the technique requires extensive training and a steep
 learning curve The authors have discussed the various steps of phacoemulsification and other techniques of cataract surgery
 like SICS including the difficulties and complications encountered and how to avoid them A separate chapter deals with the
 techniques required to get used to an Operating Microscope and the basic principles of the equipments used
 Phacoemulsification for the beginning surgeons is to guide the trainee and new surgeons to learn the surgery in the shortest
 possible time in order to gain the necessary expertise to perform the surgery with confidence Both Dr Munirul Huq and Dr
 Mehdi Matti Vazeen have extensive experience in cataract surgery and they believe that the text will help the new surgeon to
 go through the learning curve and gain proficiency and this will also serve as a reference guide at the time of difficulty and
 complications The aim is not to replace other textbooks on the topic but to share the experience of the authors for the benefit
 of the new upcoming cataract surgeons **And Justice for ELs** Ayanna Cooper,2020-09-02 And Justice for ELs is a
 resource every school leader must read right away for that matter keep within arm's reach because you're certain to refer to
 it constantly Ayanna Cooper a former U S Department of State English Language Specialist has been there done that and is
 now prepared to share with you how best to translate today's federal mandates into actionable steps for ensuring the civil
 rights of our nation's multilingual learners Because it is impossible to provide specific advice or guidance for every possible
 situation Ayanna focuses on the need to know for making informed decisions within your own building Eight questions you
 must ask and how to obtain answers before planning English language development services The most common EL program
 models with special emphasis on scheduling along with specific challenges and appropriate staffing The why and how of
 evaluating English language education regardless of the evaluation tool and ways to facilitate conversations with teachers
 before and after observation How to determine the type of professional learning that will have the greatest impact in your
 unique context Recommendations for establishing productive relationships with linguistically diverse families and
 communities Just about every tool you could possibly need including a glossary of acronyms useful advocacy organizations
 and templates for supporting professional learning But what you'll love most is the way Ayanna keeps it real Every chapter is

framed around a What Would You Do scenario for which she ultimately provides an answer s as well as guiding questions to help you think through the issues Take a look for yourself We know you ll agree that And Justice for ELs is without question a one of a kind resource And Justice for ELs is an excellent guide for practitioners who seek to provide their English learners with high quality instruction in all subject areas Too often such students are relegated an education that marginalizes them academically and fails to develop their native language skills We can and must do a better job for these students and in this book Ayanna Cooper shows us how Pedro A Noguera Emerging Technologies for STEAM Education Xun Ge,Dirk Ifenthaler,J.
