Materials development for TESOL Freda Mishan, 2015-06-03 Materials development has become much more important in the field of TESOL in the last twenty years; modules on materials development are now commonplace on MA TESOL courses around the world. The overall aim of the book is to introduce readers to a wide range of theoretical and practical issues in materials development to enable them to make informed and principled choices in the selection, evaluation, adaptation and production of materials. The book aims to show how these choices need to be informed by an awareness of culture, context and purpose. Applied Linguistics and Materials Development Brian Tomlinson, 2013-01-31 Applies applied linguistic theories to the development of materials for language learning to add new depth to the field.
