*Night Vision* Baer Charlton, 2023-01-05 A psychopathic sociopath mutilator is leaving cut up bodies in the south Bay Area again This time around everything becomes very personal as Hooker is dragged into things but can't drive with a cast on his arm Mae West has a blown engine and the Squirt is still in the hospital recovering from Dime Poisoning Then Hooker gets word from his sister that she needs help She can help him but he has to pay the price she is asking How do you save someone by killing them It is going to take everything Hooker's strange extended family can do to pull it off And even then it may be too late

**Night Vision** Baer Charlton, Pat Erikson, 2014-07-01 Sometimes the only way to save a person is to kill them Death is once again walking the streets of the South Bay Area The ramifications are far ranging and also very close to Hooker and his family This killer has struck before with life altering consequences but this time the killer must be stopped It is going to take Hooker to the brink of his capabilities and then test his mettle This time in order to save his family blood must flow

**Death on a Dime** Baer Charlton, 2023-01-05 Hooker is a survivor He reigns from high in the cab of a custom built giant tow truck that is as powerful as the heart that he keeps hidden under his rebel without a cause skin Cruising the highways and streets in the heady days of the early Silicon Valley Hooker lives out his life with one hand on the steering wheel and one hand on the gearshift Four radios two of which are illegal are his ears Life is cherries as he tours his fiefdom with a one eyed battle torn oversized orange cat named Box Named for the box Hooker found him in as well as the box between the seats of the cab that he spends his time in The only three people Box lets touch him are Hooker Manny the retired Detective and the love of Box's life the 500lb owner of the Night Dispatch Dolly Spring is coming on in the valley and it's rapidly becoming t shirt under the leather jacket weather Hooker's favorite time of the year The police have long turned a blind eye to his rapid response time and the waitress at his favorite midnight eatery is warming up to him Life is going just great That is until he witnesses the first of several cops shot to death by an unseen assailant The killing spree is executed on Highway Patrol police as well as sheriff deputies San Jose is paralyzed as everyone searches for answers Only Hooker has his ear close to the evil that walks the streets at night taking the city and county's finest But when it becomes personal can Hooker find the killer before the killer finds Hooker

**Unbidden Garden** Baer Charlton, 2023-01-09 Life is splashing along for Hooker as he cruises the South end of San Jose in his custom built 1959 Marmon tow truck with his trusty side kick Box snoring between the seats The serious end of fall has settled into a myriad of jumpstarts and drivers re learning how to park in the middle of rain washed freeways Blood ally is working overtime on its name A rash of suicide by oncoming car takes over as IBM starts another round of layoffs that runs a cold blade through the lower ribs of the indentured Santa Clara valley Mudslides make recoveries of wrecks over cliffs dicey and the unusual cold has done unkind things to many people But for Hooker and the local police it is just another fall with colder rain A car recovery over a muddy cliff turns up a dead body or more exactly four skeletons and bags of curious jewelry and gold statues It would all be a walk away for Hooker but one of the skeletons is

sporting a watch and dog tags that make it personal very personal And then Hooker desperately wishes for the warmth of summer The Squirt is back and gets some hot attention as some old bones heat up a cold case that never saw the light of day This could change everything      *Secrets of the Gold* Baer Charlton,2023-01-05 A young girl running from an abusive foster home kidnaps an older biker with a mystery for a past Leaving the mining town in Colorado and crossing state lines anything can happen What neither is looking for or expecting is friendship But in the cold of the desert night life lessons can go both ways even if they are not about a million dollars in gold Growing up is hard enough even without the shooting      **Death in the Valley** Baer Charlton,2023-01-05 Thorny Wallace returns to her hometown for peace and quiet WWII is distant thunder in the small rural town but Los Angeles is always a clear and present threat As she begins to look into an old death she finds that there is always more going on in the small quiet town When she thinks she has the players figured out the FBI shows up

*Flat Surf* Baer Charlton,2023-01-05 California s Orange County is famous for television shows of the rich and famous the rich and disturbed and neither Big surf to flat surf Orange County isn t what you see on TV A headless body turns up on a beach Former sheriff s detective Frank Pounds is dragged from medical retirement because he may know the identity of the body Dressed in an irreverent t shirt a pair of board shorts and rainbow painted huaraches showing off his pink toenails he stands over a familiar body with a distinctive tattoo As he glares up the beach to the pier lined with camera vultures with long lenses it turns personal      *One Day Under the Grass* Baer Charlton,1900 It wasn t Hooker s first recovery wreck from water At least this was in the sunny summer instead of winter in freezing water and rain Everything was routine until the officer pulled a skull out of the water Someone is killing the streetwalkers of downtown San Jose As Hooker investigates it becomes personal and dangerous      **Dry Bridge of Vengeance** Baer Charlton,2023-01-05 Just released from prison Jolie Rocket Richards struggles to get her life back after being incarcerated for seven years As a former rodeo superstar best horse trainer on the California central coast the town drunk and occasional slut Rocket just wants her life back and to find the person who framed her for the murder of her mother Romance a new friend or a new dog were never on her agenda Until a rifle bullet tears her life apart      **Stoneheart** Baer Charlton,2023-01-09 2014 PULITZER PRIZE NOMINEE Gunnery Sargent Perceval Stone a third generation Marine is suddenly medically retired After all of the collective damage of many wars and actions an IED leaves him with TBI Traumatic Brain Injury and PTSD Post Traumatic Stress Disorder Stone is a walking mental time bomb like so many others who have lost their compass If he can t find his center and path he may never get back Walking away confused from the only home and family he has ever known he has a phone in his pocket that he does not know how to use a pesky yeoman stalking his every move and is on an 800 motorcycle headed west from Bethesda MD searching for what it means to be a civilian and what makes home home In an effort to find his peace he ends up beside a tranquil lake watching a perfect sunset And then the phone rings Thousands of military have come back but couldn t find their way home If you ever served had a loved one who did or just know someone this is the book for you and a gift for them

Through the power of the internet you can buy today a gift for someone serving this country somewhere else in the world And they can start reading it tonight Add that person to your cart now they will thank you tomorrow **Boomtown** Baer Charlton,2023-01-09 Milpitas was a thug town Felix hadn't always been a thug and he hadn't grown up in Milpitas He had found Milpitas because of its reputation and he had worked hard to fit into the reputation Trouble continues to find Hooker and the Squirt Through the slow drizzle of spring business is just enough to prevent much needed maintenance on Mae West Hooker and the Squirt both know in their guts her cables are stretched and worn They should have been replaced long ago But will they still hold when their lives depend on them the most Boomtown starts 1974 in the south Bay Area As the Squirt makes his way and reputation at the police academy and Candy continues to work on becoming a nurse Hooker slogs his way around south San Jose But things aren't right as business after business experience freak explosions that defy explanation

**Dry Ridge of Redemption** Baer Charlton,2023-01-05 For Rocket and Dot life at Broken Ride Acres rolls along hammering out iron adopting horses others would put down and enjoying arguments in the martial arts ring Breakfast on the front porch had become a simple ritual with Mike walking over from his new house being built Rocket is learning to be her calm and caring Jolie self again sometimes Putting aside the time in prison marrying deputy Punchy is on the back burner but there didn't seem to be any hurry Until Manuel shows up with a problem From the right side of Atlanta a mother and her teen daughter are scared and running for their lives The men chasing them have shown no hesitancy to bury them in a swamp for what they know Three thousand miles later they land at Broken Ride Acres Owner and horse trainer Jolie Rocket Richards Dot the blacksmith and former MMA fighter and Pink the dog are their salvation But only if they follow the rules and do the work *A Skeleton in Bone Creek* Baer Charlton,2023-01-09 FBI Special Agent Nash Running Bear returns to her hometown after a skeleton turns up in the local creek on reservation land Old racial slights and hatred for outsiders don't make looking for more bones any easier nor does the appearance of an old high school fling **I Drink Coffee and Make Sh\*t Up** Baer Charlton,2023-01-09 This book should be on every writer would be writer or reader's bookshelf Unlike the hundreds of how to books Mr Charlton leads us down a winding path to becoming a writer Irreverent at times and solemn at others he lays out his pratfalls of growing up but never mocks His explanations are clear and concise His short stories entertain but are there to draw from This unique meandering through a writer's mind answers one of the essential questions writers answer in interviews How do you come up with \_\_\_\_\_ Charlton introduces us to his formative people explaining how he drew from each person to produce specific characters or circumstances Consider this a cipher or companion handbook to his books In his lectures on writing Mr Charlton explains writing dense or contextually rich novels that are not drudgery to read In his mysteries he drops clues like a flirtatious southern lady would drop her handkerchief Even the most innocent offhanded reference should never be a throwaway line Throwaway lines are indirectly filler or fluff In this day of expensive printing word count should be the last bloviated fixture in a novel Learning to write concisely should be the goal of every

writer Charlton discusses writing to the changing word counts in journalism or even to an exact word count for a contest His writing exercises are merely for self examination He uses his family as a collection of tools and information about the varieties of family undercurrents Ozzie and Harriet were good for thirty minutes each week in the fifties but became tediously plebian for a novel especially in a mystery or thriller Better to substitute Ozzy Osbourne for the paternal role Once he shows his youth lessons Mr Charlton interjects some of his favorite short stories These are the stories he uses as lessons building characters real enough for them to snatch the storytelling from the writer and reveal the story which is only theirs to tell Characters storytelling novels or movies will never be the same again As Charlton loves to point out not all mysteries are murders and not all murders are mysteries *Angel Flights* Baer Charlton,2023-01-05 Taken from real events this is a warning of what was and is about to be again Truly a must read for every woman As Los Angeles comes of age in the 1960s two undercover cops struggle to maintain their balance in the growing drug trade Boundaries are broken and borders are crossed in an effort to do good while doing bad Newcomer Gabe quickly learns from the masters Normal is a meaningless word the civilian society makes up and the books he read on being a cop don t know squat **Light 2 Light** Baer Charlton,2023-01-09 Diamonds are a girl s best friends unless they re covered in blood Thorny Wallace is being pressured by old ghosts both mountain ranges and the women of the town who are looking for answers An expected refuge isn t what it seems and the rest of the world is holding its breath as the two motorcycle companies go head to head with The Race of the Century And it s right through her jurisdiction Bodies turn up without a mark on them The summer heat turns up when the FBI comes calling And it doesn t help when it s Sunday and the Barefoot Posse has work to do If the Owens Valley seemed too tight for comfort before the summer of 1943 was shaping up to be a doozy Now if only Thorny could give away some of her jobs *The Southside Hooker Series: Books 1-5 Boxed Set* Baer Charlton,2019-11-04 This is a boxset of all five of the popular Southside Hooker mystery series The series takes place in 1973 4 in South San Jose CA Hooker and his collective family of police radio dispatchers retired detective former Navy SEAL night disc jockey and a twenty pound cat named Box go about their lives until they are needed to solve a mystery The Boxset contains Death on a Dime classic who done it serial killer with a shotgun filled with dimes killing cops Night Vision psychological thriller psychopathic mutilator serial killer Unbidden Garden cold case procedural 20 yr old cold case of buried skeletons and millions of loot Boomtown 50 50 told from both sides an explosives expert doing the same job as an arsonist and One Day Under the Grass psychological mystery of multiple personalities one personality doing the killing and the other burying the bodies in the seagrass of the San Francisco bay Cadence Bob Rusch,1992 Armed Forces Journal International ,1864 The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1865
