From a photo to a Fine Art Jana Mänz, 2015-06-10 How to create a painted effect in Photoshop with textures Textures the endless world of imagination

We love textures You too Oh of course you do Definitely Don't you also admire those delicate romantic floral images you find from time to time when browsing the web Airy light and incredibly fragile formations impossible to find something like this in the nature Those formations look like paintings but they are not They are photographs As well the romantic ocean views evoke our longing for the sea and the beach Still other photos that look as if they had sprung from the distant past Painted on canvas painted on wood painted in times of the romantics As different as all those pictures may be they have two things in common First they are layered with one or more textures and digitally retouched Secondly the intention was not to improve the picture to let it look like it was but to transform an imagined reality into visible truth Before pictures can turn into art the question of How do I work with textures at all presents itself Because art and skill are invariably linked and skill is derived from knowledge the first requirement you have to attain is this knowledge But you don't have to reinvent the wheel That's the reason why we created this little e book for you We have compiled lots of tips inspiration a step by step guide and interviews on the topic of texture Content 1 Introduction 2 Knowledge Textures in arts 3 Nora Peinzger Artworks 4 Why we use textures 5 Which subject is qualified for textures 6 How do you find suitable textures 7 Quality of the textures 8 Layer functions and other useful tools 9 Preparative image editing 10 Step by step for beginners Your first texture Photoshop tutorial with pictures and textures 11 Step by step tutorial for advanced A complex layer composition with textures 12 Interview Bea Rautenberg Mixed Media Photography artist 14 How to Black Beauty dark textures 15 The sensual emotional moment 16 How to create own textures and where to find textures 17 Closing Word 18 Blending Modes in Photoshop 19 Link tips
