Bailey, Great Britain. Department for Education, Great Britain, 2011-06-06 This review by Reg Bailey Chief Executive of Mothers Union expresses the concerns at the commercialisation and sexualisation of childhood We are all living in an increasingly sexual and sexualised culture and many parents feel that this culture is often inappropriate for their children This leaves many feeling that children are being encouraged to grow up too quickly and that we don't allow them to be children This is compounded in some new media where there is limited regulation The review makes 14 recommendations covering 4 themes The aims of these being i that sexualised images used in public places and on television the internet music videos and other places are more in line with what parents find acceptable and that public space becomes more family friendly ii that retailers do not sell or market inappropriate products or services for children iii that regulations protecting children from excessive commercial pressures are comprehensive and effective and iv that parents find it easier to voice their concerns are listened to more readily when they do and have their concerns visibly acted on by businesses and regulators Ultimately of course these recommendations need to be implemented by broadcasters advertisers retailers other businesses and regulators within a reasonable timescale Resources in Education, 2000-04 **A Parent's Guide to Gifted**
