UWC schools, colleges and programmes deliver a challenging and transformative education experience to a diverse cross section of students. This inspires them to create a more peaceful and sustainable future.

UWC has twelve schools and colleges across five continents all with distinctive characters but sharing the same mission, ethos and values.

Although strong academic achievement is valued highly at UWC, academic achievements are put into perspective with a demanding mix of community engagement, international affairs, physical activities and creative pursuits.

Our student intake is deliberately diverse and each of the schools and colleges draws together students from many different nations and backgrounds. Our bursaries, scholarships and fee structures aim to ensure a broad socio-economic mix within the student body that adds value to the student experience and the organisation.

UWC depends on the dedication and expertise of a network of volunteers to promote UWC and select future students. These are called national committees and they operate in more than one hundred and forty five countries worldwide.

Each year a national committee will receive from the UWC schools and colleges a specific number of places (which may include a scholarship, bursary/partial scholarship or fee-paying place) for which they select students to study the **International Baccalaureate (IB) Diploma**. If a national committee exists in your country you must apply through that committee.

The IB Diploma is one of the most well regarded and widely known secondary school qualifications in the world and is recognised by the world's leading universities. Students study six subjects, three at higher level and three at standard level. Subjects are divided into groups and students choose one subject from each group. The groups are: First Language, Second Language, Individuals and Societies, Mathematics and Computer Sciences, Experimental Sciences and Arts.

Please make sure you find out as much as possible about UWC before going ahead with your application. It is important that you understand the aims of the organisation and the commitment involved in the programmes that are offered. For more information please go to www.uwc.org
