Sexuality and Prison Arnaud Gaillard, 2023-06-09 How do the 60 000 people incarcerated in France experience their sexuality If it seems unthinkable today not to care for and feed prisoners it will no doubt seem incomprehensible that the prison of the 21st century has not been able to integrate respect for the right to intimacy as an essential element of human dignity The deprivation and control of sexual relations in prison represents an additional punishment for prisoners and their families who feel the injustice of it all An ambitious study was needed to go beyond stereotypes particularly when it comes to prostitution rape and homosexuality within prison walls In prison it s hard to avoid regression to a solitary pornographic sexuality Marital sexuality is furtive and humiliating stolen from the gaze of prison guards A general situation that runs counter to the State s stated ambitions in terms of rehabilitation and the fight against recidivism This groundbreaking sociological document is also a fascinating human investigation Sixty men and women detained in France were interviewed on a regular basis Testimonies were gathered from several foreign countries The author was also able to interview prison and medical social staff He then questions the nature and use of confinement putting it into perspective with a justice system that is all too often misunderstood Arnaud Gaillard is Secretary General of the Human Rights Alert and Intervention Network RAIDH He is a lawyer and has a doctorate in sociology He is the author of a thesis on sexuality in prison defended at the Sorbonne in 2008 At the end of 2009 he coordinated the 4th World Congress against the Death Penalty

Tales from Sandfly Rusty Danforth, 2006-11 Tales from Sandfly is the experiences of Rusty Danforth who comes to Savannah to start life over Adopted by the locals of Sandfly a nearby town where while using the pub city hall as his base he becomes familiar with the unique lifestyle found only here In chapters often funny sometimes poignant and almost always unusual he describes his new life He meets the country songwriter who was abducted by aliens the bartender and former gymnast who became an unwitting porn star and the voodoo lady who split time between making baskets at the Piggly Wiggly and hexing people He tells of customs and celebrations found only in Savannah like the Tacky Light Tour in which a trolley filled with over served tourists search for the most disgusting display of Christmas excess and

have their pictures made for use as cards afterwards Tybee s Beach Bum the world s largest municipally sanctioned drunken water fight and The Isle of Hope Patriot s Parade which featured among others a giant crab midgits demanding union rates and The Scud Stud astride an Iraqi rocket impacting into a bevy of I Dream of Jeanie look alikes Throughout Danforth takes the reader along for misadventures such as learning about dangers of drinking and karaoke by ending up in traction being trapped under the bed of his best friend and wife on their wedding night and the value of knowing interrogation resistance when arrested for dancing the tango in the street at three in the morning The thread binding the chapters is the story of a man in a time of loss and uncertainty who through the help of good friends a bit of luck and maybe the help of the Lord finds happiness and love that he never dreamed possible before coming to the small town of Sandlfy

The Poverty of the Ethnography of Poverty Loïc Wacquant,2025-07-02 In The Poverty of the Ethnography of Poverty Lo c Wacquant dissects how sociologists who carry out field studies of the poor write about race class and morality in the city s underbelly the blinders and biases that affect their research and how to overcome them and how to become aware of these biases and develop a better meshing of theory and research
