Beyond Reasonable Doubt is not just another book among many tackling the issues surrounding the role of women in the church. After witnessing discussions on this topic in settings as varied as the seminary classroom, the foyers in the local church, and even his own living room, Scott Womble sought to bring these perspectives into one holistic discussion. The result is a comprehensive resource which addresses theology, exegesis, and everyday life. Utilizing the hypothetical setting of a courtroom, Womble argues that the case which sentences women to secondary roles in ministry demands a retrial. An accumulation of 95 solid arguments is presented on behalf of the women who need a defense attorney as they await the verdict regarding their place in the church. His 95 theses raise more than reasonable doubt and clearly show that women must be released into ministry. Scott Womble, B.S. Saint Louis Christian College, M.Div. Lincoln Christian Seminary, is professor of biblical studies at Saint Louis Christian College where he also serves as the Adults in Ministry Coordinator. Prior to joining the college in 2002, Womble served as full-time preaching minister in central Illinois for seven years. He still regularly fills the pulpit on Sunday mornings, having preached at over fifty churches. He is a regular book reviewer for the Stone-Campbell Journal. Womble is an avid sports enthusiast. Scott and his wife Lisa have been married twenty-three years and have two children, Amanda and Michael.
