Praxis resources for teachers are: <https://www.ets.org/praxis/teachers/prepare-for-the-praxis>

Many educational psychology courses entering theory teachers must be good about also knowing how the psychological phenomena they teach related within the brain/body system. The educational psychology textbook is fairly extensive within this part of the textbook for expanding specifically on what and why and offers an in-depth education on the brain. The educational textbook can be found at the end of the textbook (not in the appendix) chapter 10.
