

Pre-Game Prayer

Heavenly Father, We thank you for this fine season day,
For these two school teams,
For the chance to study, to understand better the world around
us,
For the health to be here,
For the thrill of a sporting contest,
For individuals learning to play as a team,
For physical bodies in robust health,
For minds honed by practice to peaks of excellence.

Our Father, we thank you!
Grant that we not take days like this for granted.
Give now each team the grace to play their best,
To be a good sport,
And to realize that win, lose or tie,
We all come away winners in creation.
These things we pray in the name of Jesus, the Christ.

Amen.

More Than Play Dionne Koller, 2025 Tens of millions of children in the United States participate in youth sport a pastime widely believed to be part of a good childhood Yet most children who enter youth sport are driven to quit by the time they enter adolescence and many more are sidelined by its high financial burdens Until now there has been little legal scholarly attention paid to youth sport or its reform Dionne Koller sets the stage for a different approach by illuminating the law and policy assumptions supporting a model that puts children's bodies to work in an activity that generates significant surplus value In doing so she identifies the wide array of beneficiaries who have a stake in a system that is much more than just play and the political choices that protect these parties interests at children's expense Sports Ministry David B.
