Children's Liturgy of the Word 2009 - 2010: A Weekly Resource - Celebrating the Lectionary , The Lord's Prayer and the Sermon on the Mount in Matthew's Gospel Charles Nathan Ridlehoover, 2019-12-26 Charles Nathan Ridlehoover examines the Lord's Prayer in Matthew's Gospel, focusing on the prayer's centrality and showing how this centrality affects our reading of the Sermon on the Mount and subsequently the prayer itself. Ridlehoover argues that the Lord's Prayer is structurally, lexically, and thematically central to the Sermon on the Mount and the means through which disciples of Jesus are empowered to live out the kingdom righteousness it defines. In turn, the Sermon on the Mount clarifies what the answer to the petitions of the Lord's Prayer might look like in the life of the disciple of Jesus. Whilst the centrality of the Lord's Prayer has been noted by previous commentators, this centrality and its intended purpose has not hitherto been defined or examined in great depth. Ridlehoover fills this gap with a closely argued and in-depth study ranging from methodology and the structure of the prayer itself to examining the Father's forgiveness and evil petitions and the relevance of word and deed for hearers and doers. Ridlehoover's examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality.

The After Test Pastor Stephen M. Colbert Sr., 2019-11-22 The book portrays the challenges and obstacles that may confront a person seeking to maintain his or her health and well-being after recovering from a life-threatening disease, a chronic health condition, a financial disaster, emotional trauma, a broken relationship, an addiction, or incarceration. After Recovery, there will be more tests that will require a person to have faith in God, will power, discipline, and access to information and support systems in order to maintain his or her health and well-being. This book offers advice, strategies, spiritual guidance, medical information, and personal experiences from the author's own journey from survival, recovery, and life after discharge from the hospital. This book is designed to encourage, enlighten, inform, motivate, and empower people who desire to live and thrive after a life-threatening or traumatic event has invaded his or her life. After a Champion wins the fight, he or she must recover and train to fight and win again.
