Liturgical Catechesis of Sunday Celebrations in the Absence of a Priest Veronica C. Rosier,2002 The number of Catholic communities with no priest available to celebrate Sunday Eucharist has increased steadily over 60 years For many other forms of Sunday celebration are the statistical norm This dramatic development coincides with Vatican II's insistence on liturgical catechesis for the baptised the main source of their Christian spirit comes from active participation in the liturgy especially the Sunday Eucharist Celebrating the liturgy in all its symbolic fullness leads to inner participation in the mystery A more profound appropriation of this living relationship with Christ comes about through well celebrated rites and reflection on personal experience of the rites Yet liturgical catechesis is largely ignored or dismissed because it is not understood Liturgical celebrations frequently lack the vitality capable of leading people into the depth of the sacred mysteries they celebrate Sunday celebrations in the absence of a priest are no exception This book presents a systematic treatment of the modern church's teaching on liturgical catechesis It proposes ten general principles of liturgical catechesis These principles are used to explore and criticize the Directory for Sunday Celebrations in the Absence of a Priest 1988 as well as the rituals prepared from the Directory by the USA and Canada Even when there can be no Sunday Mass in parishes hospitals and nursing homes navy ships and jails liturgical prayer is to be a privileged place of evangelisation catechesis spirituality and

Minister's Prayer Book Mary Jane Haemig,Chris Halverson,Robb Harrell,2020-02-04 Since it first appeared in print in 1959 John Doberstein s Minister s Prayer Book has been a devotional classic among Lutheran pastors Written by a pastor for other pastors Doberstein s work recognizes the need for the pastor to drink from a well of rich resources to sustain the spiritual vitality needed to serve faithfully in parish ministry The fact that this manual of devotion is still available more than fifty years later is a testament to the timelessness of the collection Doberstein gathered as well as to his own pastoral acumen Other than a minor revision made in 1986 by Philip Pfatteicher to update the propers there has been no attempt to bring fresh material to Doberstein s work no attempt to update it for a new generation Until now This revised edition recognizes the increasingly diverse face of clergy New resources prayers and readings written by women people of color and Christians from around the world give the collection a broader appeal The beauty of the Minister s Prayer Book is its intentional re centering of the pastor s calling on word and sacrament on pastoral care and on being fully present and engaged in the lives of God s people **The Mass Every Day of the Year** Catholic Church,1916 **Feasting on the**
