

Prayer for rain

A VE PRAY

God, our heavenly creator, please let the rain
pour over our parched lands. Let Your refreshing
rain fill our emptiness, quench our thirst, and
allow us to experience Your loving mercy.

AMEN

Leaves of Healing ,1900 Zechariah's Hope casebound David C Coldwell,2018-02-13 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool

The Mishnah in Contemporary Perspective Jacob Neusner,Alan Avery-Peck,2006-07-01 This second volume of a two part project on the Mishnah displays a broad selection of approaches to the study of the Mishnah in the contemporary academy The work derives from Israel North America and Europe and shows the intellectual vitality of scholarship in all three centers of learning What these articles show in diverse ways is that the Mishnah forms a critical focus of the study of Judaism The authors of these studies represent the best of contemporary scholarship on the Mishnah Because of the many viewpoints included here this is the most representative selection of contemporary Mishnah study available in any collection in a Western language

Early Modern China and Northeast Asia Evelyn S. Rawski,2015-06-05 In this revisionist history of early modern China Evelyn Rawski challenges the notion of Chinese history as a linear narrative of dynasties dominated by the Central Plains and Hans Chinese culture from a unique peripheral perspective Rawski argues that China has been shaped by its relations with Japan Korea the Jurchen Manchu and Mongol States and must therefore be viewed both within the context of a regional framework and as part of a global maritime network of trade Drawing on a rich variety of Japanese Korean Manchu and Chinese archival sources Rawski analyses the conflicts and regime changes that accompanied the region s integration into the world economy during the sixteenth and seventeenth centuries Early Modern China and Northeast Asia places Sino Korean and Sino Japanese relations within the context of northeast Asian geopolitics surveying complex relations which continue to this day
