John Wesley in America Geordan Hammond, 2014-05-23 Why did John Wesley leave the halls of academia at Oxford to become a Church of England missionary in the newly established colony of Georgia Was his ministry in America a success or failure These questions which have engaged numerous biographers of Wesley have often been approached from the vantage point of later developments in Methodism Geordan Hammond presents the first book length study of Wesley's experience in America providing an innovative contribution to debates about the significance of a formative period of Wesley's life John Wesley in America addresses Wesley's Georgia mission in fresh perspective by interpreting it in its immediate context In order to re-evaluate this period of Wesley's life Hammond carefully considers Wesley's writings and those of his contemporaries The Georgia mission for Wesley was a laboratory for implementing his views of primitive Christianity The ideal of restoring the doctrine discipline and practice of the early church in the pristine Georgia wilderness was the prime motivating factor in

Wesley's decision to embark for Georgia and in his clerical practice in the colony Understanding the centrality of primitive Christianity to Wesley's thinking and pastoral methods is essential to comprehending his experience in America Wesley's conception of primitive Christianity was rooted in his embrace of patristic scholarship at Oxford The most direct influence however was the High Church ecclesiology of the Usager Nonjurors who inspired him with their commitment to the restoration of the primitive church *Sourcebook for Sundays, Seasons, and Weekdays 2011* Corinna Laughlin, 2010-03-26

transform *The Mass* A. Fortescue, 1950 **Liturgical Feasts and Seasons** Thomas Merton, 2022-11-09 This critical edition makes available for the first time Thomas Merton's novitiate conferences on liturgy. Though dating from the period just before the liturgical reforms of Vatican II, Merton's commentaries remain pertinent for their insights on his own commitment to this central dimension of Christian life, on his work introducing students to the patterns that would mark their lives as monks, and on the perennial meaning of the key events of the liturgical year. The thoroughly annotated text is preceded by an extensive introduction situating this material in the context of Merton's lifelong writing on liturgy. As Merton's former student Br Paul Quenon writes in his foreword: "Nowhere in all of Merton's writings can one find such an extended demonstration of the hermeneutical approach he took in commenting on Scripture. This was focused intensely on finding the meaning Scripture had for our life in God. These notes take us into one man's lifetime of reflection and seasoned experience of the Church Year." Gratia in Augustine's Sermones ad Populum during the Pelagian Controversy Anthony Dupont, 2012-10-12 During the last decades the doctrine of grace of Augustine of Hippo 354-430 has been studied in depth. The occurrence of grace in Augustine's ca. 580 sermones ad populum has not yet been systematically analysed. This monograph studies the presence of grace in sermones preached during the period of the Pelagian controversy, a debate precisely on the relation between divine grace and human freedom. Does Augustine deal with grace differently in these sermones and his anti-pelagian tractates? First, the gratia content of the sermones does not differ from that of the systematic treatises. Second, the treatment of this topic differs on occasion, a difference determined by the biblical, liturgical, rhetorical, and contextual framework of the sermones. This book explores the anthropological, ethical perspective of grace in Augustine, which results in a correction of the image of an Augustine overemphasising God and neglecting man, and in a plea to see continuity in his thinking on grace. Living Liturgy Joyce Ann Zimmerman, Christopher W. Conlon, 2009 Homilies for Weekdays, Solemnities, Feasts, and Memorials is a requested and welcome addition to the first two volumes of weekday homilies by Father Don Talafous, OSB. Here he offers creative homily suggestions for solemnities, feasts, and obligatory memorials that fall on weekdays. Readers will deeply appreciate the faithful representation of the Scripture readings and their practical applications for Christian living. Don Talafous, OSB, PhD, serves as alumni chaplain for Saint John's University in Collegeville, Minnesota. He is author of Homilies for Weekdays Year I and Homilies for Weekdays Year II. *Essential Presidential Prayers and Texts* Daniel J. Merz, 2011
