Prayers in the Psalm Pat Glasper, 2009-04-20 Our most powerful weapon is prayer Finally my brethren be strong in the Lord and in the power of his might Put on the whole armour of God that ye may be able to stand against the wiles of the devil One of the things we must understand is what is the whole armour of God The whole armour of God is the Word of God and His Word is transitioned back to Him through prayer When placed in the hands of a believer Prayer will become the ultimate defense against disobedience sin and the works of Satan We find that the principalities ungodly powers the works of the rulers of darkness and the works of spiritual wickedness in high places tends to encapsulate the people who neglect to pray The works of the enemy is to kill steal and destroy But the Word of God is to bring forth life and deliverance We all know that the enemy entices the heart of man and provokes him to sin This usually happens because man fails to utilize the privileges that God has given him to come into the divine connection of prayer It is time to pray so that the things that exist within our lives that is not of God can be turned around We have got to pray before anything can be truly fulfilled in our life Remember it is only what's of God that is going to last It is said that we are drifting into a recession and the burst of an economical crisis is trying to consume the land But when man decide to release his hands and truly pray and allow the hands of God flourish the land we will see the dynamics turn in the favor of God If my people which are called by my name shall humble themselves and pray and seek my face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land 2Chronicles 7:14 KJV

what God wants from us in prayer may not readily spring to mind for example to honor the holiness of God's name or to pray for people who abuse us Does merely adding God turn a wish into a prayer How is prayer related to our understanding of who God is his omniscience love and power In prayer we expect God to act but how does that relate to our own love and work We pray in the name of Jesus So what difference does it make that God's Son became flesh suffered died and lives again How does the Holy Spirit lead in prayer Why does the Bible provide us with actual prayers Do language literary form location time and body language matter And what does it mean that the apostle cautions Rom 8:26 For we do not know how to pray as we ought Stay Watch Pray tackles these questions and more
