Opened Up John Flavel, 2018-03-12 This work is a collection of 42 of Flavel's sermons on the person and work of Christ. Being a puritan, the work Flavel displays here is well thought out but presented in a way that will require some reflection from the reader. In a time when Christian values, especially those of the Catholic church, were being called into question, it is important to take a historical look at what the puritan preachers were teaching in their day in order for us to get a sense of what Christ in this circumstance requires from us, and Flavel gives a good picture of who Christ was and his requirements of us.

Praying When Prayer Doesn't Work Jack Corbin Getz, 2010-07-07 Almost everyone has an opinion about what prayer is and how it ought to work. But for many, prayer produces far less than the saints say it should. While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily, that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week. If that's not a red warning flag that prayer has a serious public relations problem, what is? *Praying When Prayer Doesn't Work* is a thoughtful, often witty account of the author's journey to find prayer's elusive promise for himself. A pastor for thirty years, Jack uses humor, plenty of secondary resources, scripture, real-life stories, and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful, ongoing, and productive prayer. While challenging harmful assumptions, dogma, with unconventional observations, Getz also looks at prayer's four public relations problems, identifies the perfect environment for prayer, and examines the three critical attitudes necessary to pray with great effect. Also, the wisdom and helpful suggestions found in the useful study guide can teach sincere seekers of the truth how to get personal with God and make praying a choice, not a chore.
