Prayer, Middle Knowledge, and Divine-Human Interaction Kyle D. DiRoberts,2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one s account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence

discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God's sovereignty includes both his omniscience and libertarian human freedom *To Walk and to Please God* Andrew Malone, 2024-06-04

An Introduction to the Theology and Themes of 1 and 2 Thessalonians Like Paul's other early churches Thessalonica experienced great societal pressure to conform to the surrounding culture But amid persecution the Thessalonians remained faithful to their call to holiness as they patiently awaited Jesus's return These epistles provide a positive and practical example of what Christians should believe and how they should behave today In this volume of the New Testament Theology series author Andrew Malone explores 1 and 2 Thessalonians to highlight the life cycle of Christian discipleship turning away from idols trusting in the gospel message having hope that the Lord will return and continually pleasing the one true God until that return Through clear and engaging theological examinations Malone expounds on predominant themes enhancing gospel reputation persistence in the face of opposition Christian life within an unbelieving society and more explaining how they are relevant for the church today Part of the New Testament Theology Series Other volumes include Ministry in the New Realm United to Christ Walking in the Spirit and more Ideal for Church Leaders A great discipleship resource and tool for modeling after a healthy church Written by Andrew Malone Author and lecturer in biblical studies at Ridley College **Epistles from Perpetua** Catherine Halsall, 2025-08-08 Who doesn't sometimes encounter problems in their prayer life Who doesn't find it difficult to set aside time to pray regularly Who has difficulty finding the right words to express their needs How can our God answer so many prayers from Christians all over the world reaching out continuously over time Epistles from Perpetua attempts to answer some of these queries using examples of people throughout history who have wrestled with their close communication with a heavenly Father Praise and gratitude will bring all to the foot of the Cross to seek and find the healing gifts of comfort consolation and compassion *Astounded by His Love a Discipleship Guide for Jesus' Bride* Mary Somerville, 2024-06-04 You will be astounded by the love of Jesus Christ in this discipleship guide It covers topics from your initial marriage to your Bridegroom to finding your identity in Him to worshiping Him to living your life in the light of His grace and to sharing the Good News with others All is presented against the backdrop of the author's over 50 year marriage to her husband Bob These truths are the product of their teaching ministry over a lifetime You will be greatly edified and find real joy as you dig deeply into the Scriptures in this study and hopefully your life will more and more reflect your Bridegroom Jesus Christ *Making All Things New* Benjamin L. Gladd, Matthew S. Harmon, 2016-03-08 Many people think eschatology refers to events occurring at the end of history In this book two scholars with expertise in biblical eschatology argue that God's kingdom breaking into this world through Jesus Christ has inaugurated a new creation a reality that should shape pastoral leadership and be reflected in the life and ministry of the church Brief and accessibly written this book articulates the

practical implications of G K Beale s New Testament Biblical Theology and features an introductory chapter by Beale Each chapter concludes with practical suggestions and a list of books for further study Just Asking Stuart McAlpine,2018-08-28 We need to state the obvious prayer is about asking If we deny dilute or diminish that the bones of our prayer lives will suffer from spiritual osteoporosis Prayerlessness is a failure to ask and keep on asking Isnt it obvious what asking is about Perhaps but that is precisely why it is taken for granted and not even mentioned in most books about prayer and if it is it is treated as if it were a lesser and lower form of prayer equated with the immature requests of a child Nothing could be further from the biblical truth Asking is not simple prayer Prayer is simply asking The assumption is that asking will be transcended by more mature forms so prayer is presented in an ever increasing number of levels which seem to make the climb to the throne ever more arduous and unattainable Just Asking is just about asking The majority of books about prayer discuss any number of kinds of prayers in general Asking is all that this book talks about specifically It invites you into a comprehensive biblical study of asking and then encourages you to just do it After all it was Jesus who said Ask and you will receive and then repeated the invitation no less than six times in his last conversation with his disciples Arent last words important Why can we ask with confidence What makes for effective asking Read this book and lets just ask together **Retiring Well** John Dunlop, MD,2022-04-05 What Should Retirement Look Like for a Christian Preparation for retirement requires more than just financial planning For most people and especially for Christians it comes with a host of other considerations when to retire where to live and how to spend one s time Many find themselves asking Is there a right way to retire Drawing from his work with geriatric patients and his own retirement experience Dr John Dunlop shares practical strategies for Christians as they approach their retirement years With Scripture as his guide he promotes balance between rest and activity encouraging intimacy with God service to churches and communities time with friends and family and care for one s health Among the uncertainties of major life change readers will be equipped to make decisions for their future as they seek to glorify God in their retirement Practical Provides 10 specific strategies for readers who are facing difficult decisions about their approaching retirement including guiding questions at the end of each chapter Grounded in Experience Written by a retired doctor who practiced geriatric medicine Balanced Promotes rest and care for one s health while also encouraging ongoing work and service for the kingdom of God Biblical Draws from Scripture passages on the topics of work rest and aging *The Message of the Old Testament (Foreword by Graeme Goldsworthy)* Mark Dever,2006-04-10 The Old Testament is the story of God s promises to his people Below its somewhat obscure surface is hidden magnificent truth about the love and power of God Throughout its pages the reader can find promise after promise from God all of which are fulfilled in the New Testament in the incarnation of Jesus Christ Author Mark Dever introduces readers to the Old Testament as a glorious whole so that they are able to see the big picture of the majesty of God and the wonder of his promises **Behold and Become** Jeremy M. Kimble ,2023-06-20 The Bible is not merely for information but for being saved by God and changed through his words

Believers know the Bible is powerful but how so And how does God save people and transform lives through Scripture Author and theology professor Jeremy M Kimble integrates an evangelical doctrine of Scripture with a robust coherent practice of engaging with Scripture Behold and Become contends that the Bible which is God s self revelation coupled with the Spirit works to produce salvation and growth in godliness Believers will see how sound beliefs about Scripture correspond with practices that allow for God s transforming work such as How the Bible s inerrancy demands our careful attention to the biblical authors as theologians How the Bible s efficacy operates within the doctrines of the triune God and the church How the Bible s authority directs our focus toward who God is and how he acts in the world We become like what we behold Rather than passively assume the animating power of the Bible Behold and Become guides readers to make Scripture s vitality an overt part of their theology of Scripture and practice of Christian life Evangelical Theology, Second Edition Michael F. Bird, 2020-10-20 Gospel Centered Theology for Today Evangelical Theology Second Edition helps today s readers understand and practice the doctrines of the Christian faith by presenting a gospel centered theology that is accessible rigorous and balanced According author Michael Bird the gospel is the fulcrum of Christian doctrine the gospel is where God meets us and where we introduce the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Belief section since reading theology can often be dry and cerebral so that readers enjoy their learning experience through some theological humor added for good measure Now in its second edition Evangelical Theology has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think pray preach teach and minister in the world *The Deliberate Church* Mark Dever, Paul Alexander, 2005-09-09 Dever and Alexander propose a model of complete reliance and submission to the Gospel when building a healthy church Great resource for pastors elders and others interested in the vitality of their church
