actualité la plus immédiate cet ouvrage présente une synthèse globale des relations politiques internationales depuis 1945. La fin de la Deuxième Guerre mondiale marque une césure majeure dans les rapports entre nations. Face au déclin des tats européens on assiste à l'ascension des tats Unis et de l'Union soviétique qui visent constituer autour d'eux des blocs homogènes. Tandis que se développe la guerre froide les peuples colonisés s'émancipent de la tutelle de l'Europe. Il n'y a plus guère de lieu sur la planète qui ne participe peu ou prou aux relations internationales. Des années 1960 aux années 1980 le monde bipolaire fait place à un monde multipolaire où aux lieux traditionnels de conflits s'ajoutent de nouveaux terrains d'affrontement et de nouveaux enjeux. Les événements révolutionnaires des années 1989-1991 mettent un terme à la guerre froide. Dominée par l'hyperpuissance américaine la communauté internationale est la recherche d'un nouvel ordre mondial que le 11 septembre 2001 rend encore plus improbable. Le début du XXI^e siècle est marqué par le phénomène de la mondialisation et l'ascension des puissances émergentes en particulier de la Chine. Loin des espoirs de paix de la décennie 1990 les défis l'ordre international replongent le monde des années 2010 dans un cycle de tensions et de violences.

Histoire Des Relations Internationales Pierre Renouvin, 1955 **Les relations internationales de 1871 à 1914 - 4e édition** Pierre Milza, 2014-09-03. L'année 1871 consacre la prépondérance de l'Allemagne bismarckienne en Europe et le début de l'apogée européenne dans le monde. La Grande Guerre sera fatale, cette double hégémonie en provoquant la défaite militaire de l'Allemagne et le déclin économique du Vieux Continent face aux tats Unis. Pierre Milza renouvelle la vision des événements en soulignant l'action des forces profondes derrière le jeu diplomatique, il montre le poids des intérêts économiques et les grands courants de l'opinion.

De l'histoire diplomatique" à l'"histoire des relations internationales" Jean-Baptiste Duroselle, 1966 **Relations internationales - 3e édition** Justine Faure, Yannick Prost, 2020-10-06. La troisième édition de cet ouvrage vise à faire le point sur l'histoire des relations internationales depuis la fin de la Première Guerre mondiale, les questions régionales tant dans leurs problématiques structurelles que dans leurs développements les plus actuels, les grands thèmes qui traversent la matière, les questions de défense, économie, enjeux globaux, environnement, matières premières, criminalité, etc.

Etre historien des relations internationales René Girault, 1998. Pour René Girault, être historien des relations internationales, ce n'est pas seulement faire de l'histoire des relations internationales ou développer des recherches dans ce domaine, c'est aussi se poser des questions d'historien, c'est réfléchir sans cesse sur la validité de ce qui constitue sa propre discipline. Parce que cette préoccupation marque constamment et fructueusement son œuvre, René Girault s'inscrit dans la prestigieuse lignée de Pierre Renouvin et de Jean-Baptiste Duroselle. Ses nombreux disciples ont voulu lui rendre hommage en rassemblant certains de ses textes et en s'adressant par conséquent à ceux qui rendent le mieux compte de sa réflexion historique. À n'en point douter, il existe une méthode Girault, une méthode qui prolongeant et renouvelant celle de Pierre Renouvin, tend à créer une histoire globale des relations internationales avec un horizon bien plus large que celui de l'histoire diplomatique traditionnelle. En analysant scrupuleusement les liens entre l'économie et le politique en mesurant le poids des représentations et des imaginaires,

sociaux en démontant les mécanismes de décision René Girault donne des éclairages très originaux sur des questions fondamentales : l'impérialisme, la puissance, la place de la France dans le monde, la construction de l'Europe et l'identité européenne. Grand historien, René Girault est aussi un intellectuel en son siècle pour qui toute réflexion sur l'histoire est aussi une réflexion sur la démocratie.
