Some two decades later high profile interracial nuptials in Oakland, California become the occasion for a reunion between the now Reverend Vida and Lucius Clay the fiery journalist she met in South Carolina. Within weeks of their re-meeting Lucius is dispatched to cover Black church burnings beginning with Lily's hometown in Texas. Writer Hilton Als recently commented 'We need to wake up to the fact that America is not one story. It is many many many stories.' American Blues offers no neat resolution. Instead its timely story invites as it tangles with readers' own assumptions and complex experiences of race and gender in America.
