

Saint Dragoness was born to a poor peasant family. She was never a true Saint, she was too self-serving. She was intelligent beyond the year she was born 227 AD, and her experiments were scary to her family and the village people.

Goddess Jennica gave Saint Dragoness's creations a new and better way of life. Tazzy one of Saint Dragoness's original Dragons mourned for his Saint Dragoness. He even contemplated death as a way out of his mourning, until the day he met his Keeper.

Scout couldn't have been more wrong about her average life. She soon learned that she was to be a Dragon Keeper and all that that meant. Scout was born to be special, she just didn't know it yet.
