

# Same-Sex Marriage and Legalized Relationships: I Do, or Do I?

Esther D. Rothblum

**ABSTRACT.** At a time when heterosexual marriage rates are declining, many countries and localities are advocating for the rights of lesbians and gay men to enter legalized relationships, including marriage. This article reviews the legal status of same-sex relationships in the U.S. and other countries. Not only does the general public have mixed opinions about same-sex marriage, but so do lesbian and gay male communities. Some of the theories about pros and cons of same-sex marriage will be presented. The article reviews the very scant literature on same-sex legalized relationships and presents some ideas for future research. *[Article copies available for a fee from The Haworth Document Delivery Service: 1-800-HAWORTH.
