

## Eagle Scout Recommendation Letter

Dear Eagle Board of Review:

I am pleased to be presented with the opportunity to provide this letter of recommendation for my son's best friend, Kevin McAllister. This outstanding young man has become an honorary member of our family as he's spent countless nights here in our home. He is always a kind, courteous, and respectful house guest, and a wonderful influence on our son. It is with such joy that I can recommend Kevin to join the ranks of Eagle Scout.

Kevin was nine years old when he befriended our son Baron (7 at the time) through the Cub Scouts program. While this age difference is less significant now, it seemed profound to our boy at the time. Here was an older kid who was willing to give him the time of day, who was friendly, kind, and patient (though our son may not have recognized his patience at the time). Baron was, and still is, a late bloomer and he's had his fair share of bullying. Kevin has always been there to support him, a loyal friend through and through.

I personally was able to witness Kevin complete his Eagle Scout Service Project; a free basketball camp for 100 kids of low-income parents. Kevin has always been a gifted athlete, but more than that he's a compassionate community member. Our son explained how Kevin spent weeks planning and organizing the summer basketball camp, assembling a day-by-day itinerary, calling high school and middle school coaches, and asking favors from his fellow teammates to volunteer their time. In the end, the camp was a great success and it inspired Baron to follow in his footsteps when it comes time for him to advance up the ranks.

It's been a pleasure getting to know Kevin over the years and watching him grow into the man that he is today. I have no doubt that he will continue to make valuable contributions to his community as he exhibits the principles held within the Scout Oath and Law on a daily basis. Thank you very much for your time.

Best,

**Our Frontier Is the World** Mischa Honeck, 2018-05-15 Mischa Honeck's *Our Frontier Is the World* is a provocative account of how the Boy Scouts echoed and enabled American global expansion in the twentieth century The Boy Scouts of America BSA has long been a standard bearer for national identity The core values of the organization have since its founding in 1910 shaped what it means to be an American boy and man As Honeck shows those masculine values had implications that extended far beyond the borders of the United States Writing the global back into the history of one of the country's largest youth organizations *Our Frontier Is the World* details how the BSA operated as a vehicle of empire from the Progressive Era up to the countercultural moment of the 1960s American boys and men wearing the Scout uniform never simply hiked local trails to citizenship they forged ties with their international peers camped in foreign lands and started troops on overseas military bases Scouts traveled to Africa and even sailed to icy Antarctica hoisting the American flag and standing as models of loyalty obedience and bravery Through scouting America's complex engagements with the world were presented as honorable and playful masculine adventures abroad Innocent fun and earnest commitment to doing a good turn of course were not the whole story Honeck argues that the good natured Boy Scout was a ready means for soft power abroad and gentle influence where American values and democratic capitalism were at stake In other instances the BSA provided a pleasant cover for imperial interventions that required coercion and violence At Scouting's global frontiers the stern expression of empire often lurked behind the smile of a boy
