

The background of the entire image is a photograph of a dirt path that curves through a wooded area. The path is light brown and appears to be made of packed earth or dry leaves. On either side of the path, there are various trees and bushes. Some trees have dark, bare branches, while others have green leaves. The lighting suggests a bright day, with sunlight filtering through the canopy. The overall scene is a peaceful, natural setting.

*Phineas Redux* Anthony Trollope, 2021-12-12 *Phineas Redux* Anthony Trollope When Phineas's wife dies he becomes discontented with his life as a minor government functionary and longs to return to his exciting former career of politics in London. His luck is as strong as ever his party is seeking to return to power with fresh blood and with its support he is once again elected to Parliament. However he makes a bitter enemy within his own party Mr Bonteen. When Bonteen is murdered there are two strong suspects Phineas and the Reverend Mr Emilius a disreputable major character in the third Palliser novel. The Eustace Diamonds Bonteen had helped Lady Eustace get her marriage to Emilius annulled he found out that Emilius already had a wife. The circumstantial evidence all points to Phineas. In addition Emilius has an airtight alibi he was in his lodgings and the door was locked by his landlady who had the only key. As a result Phineas is charged and brought to trial. The entire nation is thrilled by the prospect of a Member of Parliament being convicted of murder. Madame Max Goestler still strongly in love with Phineas as detailed in the novel *Phineas Finn* travels to the Continent on his behalf. She finds and brings back a locksmith who copied a key for Emilius destroying his alibi. Phineas is acquitted though the evidence isn't strong enough to bring Emilius to justice. Worn out by the ordeal Phineas resigns his seat and marries the overjoyed Madame Max. Both Phineas and Madame Max resurface in later Palliser novels.

Back in England the Whigs are determined to overturn the Tory majority in Parliament. As Finn had been considered the most promising of the younger set he is encouraged to stand for parliament again. Returning to London he renews his acquaintance with the wealthy widow Madame Max Goesler.
