Medicus ,1965 **The Ageless Call to Serve** Lanny L. Snodgrass,2024-09-30 Defying age barriers Dr Snodgrass joined as a soldier at 63 shifting from psychiatrist to trailblazer in military thinking In *The Ageless Call to Serve* he champions the seasoned battlefield advocating for wisdom over youth in warfare This thought provoking narrative traverses military readiness policy evolution and the psychological impacts of deploying teenagers into conflict Robert J Schneider Lieutenant Colonel USA Ret former Director of Research Department of Military Psychiatry An 18 year old in the United States is still barred from buying alcohol acquiring a pilot's license or stepping into a casino Yet astonishingly they can be enlisted in the military trained in weapon handling and deployed to a war zone On the other side of the age spectrum individuals over 39 regardless of their skills or experience often encounter insurmountable obstacles to enlistment Break this mold and meet Lanny Snodgrass who at the age of 63 became the oldest American to join the Army and complete officer basic training It was 2003 the Iraq War had just started and the Pentagon grappling with a severe shortage of military doctors momentarily relaxed age requirements Recognizing an opportunity Dr Snodgrass stepped in to serve With around four decades of experience treating veterans and active duty military personnel many teenagers grappling with psychiatric illnesses such as PTSD depression and suicidality Dr Snodgrass bears unique insight into the perils of sending young soldiers to war He has seen firsthand the walking wounded those who have served in multiple deployments and are often on the brink of despair This book represents a culmination of these experiences As a late joining physician and one of the leading experts on PTSD Dr Snodgrass poses critical questions about the limits of service and whether these age constraints should be maintained or relaxed He scrutinizes the age limits on military service addressing the antiquated criteria that have remained largely unchanged for over a century If we continue to send our young to war while overlooking the potential of older willing Americans tragic consequences will persist It's not an overstatement then to say that *The Ageless Call to Serve* presents a

life and death proposition on how to build a more resilient professional military force **Stress and Human Performance**
James E. Driskell, Eduardo Salas, 2013-05-13 The pace of life in our high technology world has quickened Industries that do not become more efficient often by requiring a faster production turnaround with less slack are superseded Because of this workers face an environment in which they must perform under more time pressure and under greater task load in which stress is more prevalent and in which consequences of poor performance are more critical than ever before The dominant if unstated psychoanalytic paradigm underlying much stress research over the past fifty years has led to an emphasis on coping and defense mechanisms and to a preoccupation with disordered behavior and illness Accordingly almost any book with stress in the title will invariably devote a considerable amount of pages to topics such as stress related disorders clinical interventions stress and coping psychopathology illness and health issues This book presents basic and applied research that addresses the effects of acute stress on performance There are a large number of applied settings that share the commonalities of high demand high risk performance conditions including aviation military operations nuclear chemical and other industrial settings emergency medicine mining firefighting and police work as well as everyday settings in which individuals face stressors such as noise time pressure and high task load This book focuses directly on the effects of acute stress defined as intense novel stress of limited duration on performance The effects of stress on task performance decision making and team interaction are discussed as well as the interventions used to overcome them **University of British Columbia Law Review** University of British Columbia, 2008
