, *Theorizing Rituals, Volume 1: Issues, Topics, Approaches, Concepts* Jens Kreinath, J.A.M. Snoek, Michael Stausberg, 2018-08-14 Volume one of *Theorizing Rituals* assembles 34 leading scholars from various countries and disciplines working within this field. The authors review main methodological and meta-theoretical problems part I followed by some of the classical issues part II. Further chapters discuss main approaches to theorizing rituals part III and explore some key analytical concepts for theorizing rituals part IV. The volume is provided with extensive indices. **Automated Essay Scoring** Mark D. Shermis, Jill C. Burstein, 2003-01-30 This new volume is the first to focus entirely on automated essay scoring and evaluation. It is intended to provide a comprehensive overview of the evolution and state of the art of automated essay scoring and evaluation technology across several disciplines including education, testing and measurement, cognitive science, computer science, and computational linguistics. The development of this technology has led to many questions and concerns. Automated Essay Scoring attempts to address some of these questions including: How can automated scoring and evaluation supplement classroom instruction? How does the technology actually work? Can it improve students' writing? How reliable is the technology? How can these computing methods be used to develop evaluation tools? What are the state of the art essay evaluation technologies and automated scoring systems? Divided into four parts, the first part reviews the teaching of writing and how computers can contribute to it. Part II analyzes actual automated essay scorers including e-rater™, Intellimetric, and the Intelligent Essay Assessor. The third part analyzes related psychometric issues, and the final part reviews innovations in the field. This book is ideal for researchers and advanced students interested in automated essay scoring from the fields of testing and measurement, education, cognitive science, language, and computational linguistics. **Exam Copy** Beverly Stanford, Forrest Parkay, 2004-02 **Essays on Speech Acts and Other Topics in Pragmatics** Marina Sbisa, 2023 This book collects seventeen essays published between 1984 and 2020 in which Marina Sbisa develops her distinctive approach to speech acts and related pragmatic phenomena. The essays examine the categories of speech act theory with the aim of providing an accurate analysis of how speech can be action. **EdSpeak and Doubletalk** Diane Ravitch, Nancy E. Bailey, 2019-12-27 While this glossary will be an indispensable dog-eared reference to terminology across the field of education for aspiring teachers and education leaders and should be a required supplemental text for all introductory courses, the value that Diane Ravitch, renowned spokesperson for public education and for the best possible education for all children, adds is that she addresses the real profit-centered and privatization drivers that lie behind so many organizations and models that have perverted the term reform and purport to care for students but in fact often harm or exploit them. A kind of whistleblower book on organizations, programs, and practices that are not what they seem, often branded with positive promotional names masking programs for profit, panacea programs with little real benefit to students, some like accountability, actually harmful to the most financially disadvantaged students through constant testing prep at the expense

of learning In Diane s words This book is not simply a glossary of easily defined terms that can be looked up on the Internet It is a judgmental evaluative appraisal of terms and organizations that would not be easily gleaned on the Internet It guides readers through the thickets of jargon and hype that are often sales pitches to unwary consumers It shines a light on the language related to groups and practices that are seriously endangering democratic public schools and the teaching profession
