**St. Joseph's College** Kenneth Munro,2015-12-02 When Archbishop Henry O Leary became the second archbishop of Edmonton in 1920 he had a dream to build a western Canada Catholic college that would educate students in the Christian intellectual tradition This is the story of how a small Roman Catholic institution confronted daunting challenges to become a Christian beacon of enlightenment at the very heart of the secular University of Alberta Scholarship and community life in residence was always supplemented with teaching from the Christian Ministry Team to form Christian citizens who would go out into the world to serve the larger community following graduation In 1963 the Congregation of St Basil took over the administration of the College from the Christian Brothers de la Salle who had administered the College from its founding in 1926 Since its establishment almost ninety years ago the College has continued to provide young men and women with post secondary courses grounded in Roman Catholic thought while pursuing their undergraduate degrees at the University of Alberta Initially a residence was built for men but O Leary s dream of also constructing a women s residence never died and
