**The Making of a Prayer Warrior** Barbara L. Daubon, 2011-08 The Making of a Prayer Warrior was written in response to the many people who not only asked me for handouts at the end of a presentation at prayer conferences but also send me prayer requests from time to time The book aims to address the rudiments of prayer using the Bible as the main reference I tried to cover in simple basic terms enough information to take the baby Christian from a life of no prayer to being a mighty prayer warrior I have sought to address topics such as What is prayer Biblical examples of answered prayers personal preparation for prayer becoming a prayer warrior the prayer group types of prayers and how to get your prayers answered I have written from my own experience as a praying person and can say with much confidence that God is waiting on us to call unto Him He still stands on His word in 2 Chronicles 7 14 If my people which are called by My name shall humble themselves and pray and seek My face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land

**Facts and Interpretation** Charles Miori, 2023-06-12 Some people believe that there is a difference albeit inconsiderable between a Christian and a believer They argue that a Christian has not completely understood the valid valuable and invaluable role that the Holy Spirit plays in serving Christ They aver that a believer on the other hand is a Christian who has learned and developed a conviction born from experience that without a daily contact and yielding to the Holy Spirit could not be true to God let alone communicate with Him The question is are you willing hungry and determined to communicate with God on behalf of lost souls in ways that would enrich your participation and discipline your understanding about the great commission as a prayer warrior Prayer warriors are believers who have made a conscious effort to intercede for lost souls and to reach the world for Christ They believe and have this inveterate conviction that prayer undergirds witnessing and witnessing cultivates a culture of absolute and undeviating dependence on the Holy Spirit They also believe that the church exists to witness for Christ This book is about the Holy Spirit and His influence on all aspects of prayer That is why any church qua church that does not have a group of dedicated men and women whose avowed mission is to pray for souls prayer warriors is making itself irrelevant in preparing for the second return of Christ As you read whether it is the chapter on prayer and the knowledge of God prayer and the will of God prayer and praise prayer and faith prayer and witnessing prayer and the sovereignty of God or secret prayer you will discover as I did that the Holy Spirit stands ready to transform your own life because He that watereth shall himself be watered is an inflexible Biblical principle My hope is that the Holy Spirit will not only fight for His outcomes as you read and apply these principles in your own life but also leaven your conviction
