**Praying Personalities** Janet Holm McHenry, 2024-02-13 Discover the particular way God designed you to connect with Him through prayer You should pray in the morning You should write out your prayers You should make prayer lists and pray through them every day You should pray with others or out loud We've all heard the you shoulds of prayer from pulpits presenters and well meaning friends But when none of these ways to pray feel natural what's next Janet Holm McHenry has studied

prayer extensively and the one thing she knows for sure is that there s no one size fits all way to pray Instead there are different styles of prayer and by discovering the style most instinctive to each individual personality staying in touch with God throughout the day becomes simple and all the more joyful In this book the author helps readers determine their particular praying personality by examining the praying styles of biblical people spiritual gifts and various ideas about personality including the classic temperaments the Enneagram and more McHenry includes scores of bulleted suggestions for developing a praying lifestyle that works for individuals She has also created a Praying Personality Quiz for readers available in the book and online to help narrow down the style that will most naturally fit into how they process a prayer life Whether a longtime Christian who has tried various prayer strategies but can t keep up or a new believer looking to learn about this spiritual discipline every reader who dives into this book will come away with a renewed prayer life and a greater understanding of who God created them to be

*Behold and Become* Jeremy M. Kimble ,2023-06-20 The Bible is not merely for information but for being saved by God and changed through his words Believers know the Bible is powerful but how so And how does God save people and transform lives through Scripture Author and theology professor Jeremy M Kimble integrates an evangelical doctrine of Scripture with a robust coherent practice of engaging with Scripture *Behold and Become* contends that the Bible which is God s self revelation coupled with the Spirit works to produce salvation and growth in godliness Believers will see how sound beliefs about Scripture correspond with practices that allow for God s transforming work such as How the Bible s inerrancy demands our careful attention to the biblical authors as theologians How the Bible s efficacy operates within the doctrines of the triune God and the church How the Bible s authority directs our focus toward who God is and how he acts in the world We become like what we behold Rather than passively assume the animating power of the Bible *Behold and Become* guides readers to make Scripture s vitality an overt part of their theology of Scripture and practice of Christian life

No Quick Fix Andrew David Naselli,2017-08-30 Every Christian struggles with sin and wants to be victorious in the fight Higher life theology also known as Keswick theology offers a quick fix for this struggle It teaches that there are two categories of Christians those who are merely saved and those who have really surrendered to Christ Those who have Jesus as their Savior alone and those who have him as their Master as well If Christians can simply let go and let God they can be free of struggling with sin and brought to that higher level of spiritual life What could be wrong with that A lot it turns out In *No Quick Fix* a shorter and more accessible version of his book *Let Go and Let God* Naselli critiques higher life theology from a biblical perspective He shows that it leads not to freedom but to frustration because it promises something it has no power to deliver Along the way he tells the story of where higher life theology came from describes its characteristics and compares it to what the Bible really says about how we overcome sin and become more like Christ

*GLEANINGS FROM PAUL* Arthur W. Pink,Rev Terry Kulakowski, Editor,2015-11-29 In this series of studies we do not propose to confine ourselves to the petitionary prayers of the apostle but rather take in a wider range In Scripture prayer includes much more than making known our requests to God and this is something which His people need reminding of and some of them instructing in in these days of superficiality and ignorance The very verse that presents the privilege of spreading our needs before the Lord emphasizes this very thing In every thing by prayer and supplication with thanksgiving let your requests be made known unto God Phil 4 6 Unless gratitude be expressed for mercies already received and thanks be given for granting us the continued favor of petitioning our Father how can we expect to obtain His ear and receive answers of peace Yet prayer in its highest and fullest sense rises above thanksgiving for gifts vouchsafed the heart is drawn out in contemplating the Giver Himself so that the soul is prostrated before Him in worship and adoration
