

## Pre Ap Chemistry Final Answer Key

When an attorney takes an affidavit, the attorney has a duty to ensure that the facts are true. If the attorney knows or has reason to believe that the facts are false, the attorney should not take the affidavit. If the attorney does take a false affidavit, the attorney may be subject to disciplinary action. The attorney should also advise the client of the consequences of providing false information.

**Abstracts:** Authors of all papers are asked to submit an abstract of their paper. Abstracts should be typed on a separate sheet of paper, double-spaced, and should not exceed 10% of the total paper length. Abstracts should be submitted to the conference organizers at the same time as the full paper.

It is still not understood why American and its ally won the battle. There were almost no shots or air bombardments, everything else is based on luck and it is just not clear how it was won. The only good argument I have observed that said the strategy to get the battle as quickly as possible was to use a relatively small number of troops and to use the strategy to win.
