Building a Firm Foundation Rev. Richard W. Gilbert, 2021-08-26 The family within and outside the church is under attack Our culture seeks to revise and redesign what a family looks like For those choosing to marry their choice does not guarantee continued longevity

and success For both secular society and the church the divorce rate continues to remain in excess of fifty percent While couples think that they love one another and believing that will be sufficient for a life time the reality is there is much they need to know in order to build a solid foundation for a lifelong marriage This book present not only the biblical roles in marriage but also many of the core issues and situations that arise in day to day marital living In these pages the couple is encouraged and helped to talk together about comfortable topics uncomfortable topics and topics they didn t know they should be discussing Understanding love communication anger conflict resolution and money management are key subjects of discussion in these pages **Premarital Counseling** Robert F. Stahmann,William J. Hiebert,1987 **A Pre-marital Counseling Guide** Jerome L. Rucin,1988 *Marrying Well* Elena Lesser Bruun,Anne F Ziff,2010-04-13 Nearly half of all marriages in the U S still end in divorce Clearly there is a strong need for universal effective premarital counseling and counselors This book is aimed both at experienced therapists who wish to expand into this area of practice and novice premarital counselors and couple therapists who need to understand the unique challenges and issues faced by premarital couples in the twenty first century Separate chapters discuss how to recognize key factors in individuals and couples that predict long and happy marriages such as empathy flexibility shared goals and the ability to make each other laugh and the most common issues presented by couples in premarital counseling and how best to address them such as differing racial cultural and ethnic backgrounds differences in religious beliefs and attitudes sexual issues money and disagreements about whether to have or how to raise children Here the therapist will also learn how to help clients decide whether or when to get married how to help couples deal with the stress and issues brought on by wedding planning and how to work with couples whom the therapist thinks might be better off not getting married Bruun and Ziff rely on their combined decades worth of clinical experience presenting numerous case studies that illustrate the variety of couples seeking premarital counseling today The result is an excellent introduction to contemporary premarital counseling that offers sage advice and practical approaches to working with couples dealing with contemporary premarital challenges **Premarital Counseling: a Guide to Christian Principles, Hardbound Gift Edition** Brenda Arnold-Scott,2025-04 A presentation and walk through of Scriptures that support love and marriage to be used in pre marital counseling Also contains biblical poems and personal poetry and songs 30 additional scriptures that support marriage and journaling space *Essentials of Premarital Counseling* Sandra Levy Ceren,Sandra L. addition to the couple's edition in two different ways. First, the counseling pastor who wishes to use this book for his entire pre-marital counseling model may be assured he is preparing well the couple for marriage home and family. Every area of the pre-marital counseling program is addressed in tests and assignments that are easy to follow, practical, and pointedly biblical. Found in their entirety in Chapter 14, these same tests are also repeated section by section in the appropriate counseling sessions. For the counseling pastor, these tests are both uncomplicated and yet sufficiently thorough to aid in the counseling process. Creative and specific biblical counseling will be the outflow of these assignments for the counselor using this handbook as his model. The second way this handbook may be used is to view the material as being supplemental. For those counseling pastors who already have their counseling models being used, this book contains information, testing, and assignments that may be added to counseling programs already in place. A wide margin is used throughout the handbook. This provides ample opportunity for the counseling pastor to add his own notes, scripture references, and illustrations. Additional resources make this handbook particularly useful. Three brand new wedding ceremonies are included in Chapter 7, and many suggestions for making the ceremony truly unique are offered in Chapter 8. Additional counseling aids and worksheets are made available in Chapter 13. Whether you are beginning your counseling ministry or even if you have been preparing couples for many years, it is my prayer that this handbook will be helpful to you as a counseling pastor as well as beneficial to couples who are ready to begin their journey of a lifetime. Michael J. Peck, D. Min. *A Premarital Guide for Couples and Their Counselors*. David A. Thompson, 1979. This homework book has six sheets, represents the preparation for a succession of six counseling sessions. The writing process will underscore potential problem areas which would best be dealt with prior to marriage. **Marriage Counseling Manual, Form #17.063**. Brook Stockton, 2023-08-03.
