Bound to be Free Dr. Charles Moser, J. J. Madeson, 1996 An account of sadomasochism from inside the S and M community presenting both a personal and clinical perspective on this sexual subculture Madeson an S and M practitioner and Moser a physician and social worker combine forces to examine the physical and psychological impact of the practice The volume also liberally quotes folks involved in S and M their experiences and shared dedications to creating a safe environment for their sexuality The discussions are not titillating but rather provide an unusual glimpse into a hidden world Annotation copyright by Book News Inc Portland OR *Florists Exchange and Horticultural Trade World*, 1928 Yes Means Yes! Jaclyn Friedman, Jessica Valenti, 2019-03-05 This groundbreaking feminist classic dismantles the way we view rape in our culture and replaces it with a genuine understanding and respect for female sexual pleasure In the original edition feminist political and activist writers alike presented their ideas for a paradigm shift from the No Means No model and the result was the groundbreaking shift to today's affirmative consent model Yes Means Yes as coined by this book With a timely new introduction refreshed cover and the timeless contributions of authors from Kate Harding to Jill Filipovic Yes Means Yes brings to the table a dazzling variety of perspectives and experiences focused on the theory that educating all people to value female sexuality and pleasure leads to viewing women differently and ending rape Yes Means Yes has radical and far reaching effects from teaching men to treat women as collaborators and not conquests encouraging men and women that women can enjoy sex instead of being shamed for it and ultimately that our children can inherit a world where rape is rare and swiftly punished **Techniques of Pleasure** Margot Weiss, 2011-12-20 In this lively ethnography Weiss studies the pansexual BDSM community in the San Francisco Bay Area Weiss finds that BDSM practice is not as transgressive as the participants imagine nor is it simply reinforcing of older forms of social domination Instead she shows how fantasy play depends on pre-existing social hierarchies even as it also participates in a commodification of desires *The Big Anxiety* Jill Bennett, 2022-05-19 This book takes a creative approach in examining one of the biggest crises of our time that of mental suffering distress and anxiety By bringing together essays and dialogues from thinkers and artists across a range of disciplines it re-imagines approaches to crisis support and care Amid growing recognition that mental health is not only the

province of psychiatry and the health sector but a concern for the whole community the book opens up critical new ways of thinking about our internal lives and the forces that affect them The book significantly advances the way we think about cultural responses to mental health and the understanding of the struggles of inner life Featuring both theoretical and practical examples of the value of using imagination in response to trauma anxiety and depression The Big Anxiety shows how creativity is not a luxury but a means of survival
