Dubai Syed Ali, 2010-05-28 This revealing portrait of the famously wealthy Persian Gulf city investigates the human cost of its miraculous rise to global prominence In less than two decades Dubai has transformed itself from an obscure territory of the United Arab Emirates into a global center for business tourism and luxury living With astonishing skyscrapers and tax free incomes its rulers have made Dubai into a playground for the global elite while skillfully downplaying its systemic human rights abuses and suppression of dissent It is a fascinating case study in light speed urban development massive immigration and vertiginous inequality In Dubai Gilded Cage sociologist Syed Ali delves beneath the dazzling surface to analyze how and at what cost Dubai has achieved its success Ali brings alive a society rigidly divided between expatriate Westerners enjoying opulent lifestyles on short term work visas native Emiratis who are largely passive observers and workers from the developing world who provide the manual labor and domestic service needed to keep the emirate running often at great personal cost At last a comprehensive expose of the economic and sexual exploitation that erected this utopia of greed Syed Ali has seen the future in Dubai and it doesn't work

Vietnam Business Guide Kimberly Vierra, Brian Vierra, 2011-12-15 Vietnam Business Guide GETTING STARTED IN TOMORROW'S MARKET TODAY Kimberly and Brian Vierra have written the most useful guide I have seen for foreigners who want to do business in Vietnam I've spent years in the country but I learned a lot from this book It's full of practical information about unique aspects of Vietnam's business culture registration legal and tax issues working with local business partners living conditions in Vietnam and industry specific opportunities Interviews with experienced expatriates bring the issues to life The Vierras are very frank about tough problems such as corruption but they also convey a real affection for and understanding of this wonderful country Raymond Burghardt Former US Ambassador to Vietnam Director Indochina Capital Corporation Vietnam Business Guide is the book that every seasoned Southeast Asia hand belied up to a Saigon bar says he ought to write Be thankful the Vierras made good on this common boast Unstinting pragmatic penetrating and incredibly accessible this highly readable volume may not keep you from the suffering the pain of starting up but if read closely with a yellow highlighter may very well spare you the agony of undue blood letting There will be blood but Vietnam Business Guide will mitigate the flow James Sullivan Managing Director Mandarin Media Author National Geographic Vietnam and Over the Moat Vietnam Business Guide provides practical and balanced information about Vietnam for foreigners to plan their first steps to enter the market What separates this book from others are its reality and practicality brought about by both the authors who themselves are entrepreneurs having walked the same journey and the experts who contributed their experiences on different topics

throughout the book The business landscape in Vietnam is speedily changing Some facts by the time you read the book may need updating but still it serves best in providing newcomers essential starting points a should read book for those who consider doing business in Vietnam Vu Minh Tri General Director Yahoo Vietnam Co Ltd I believe that Vietnam Business Guide has been very objective and true to its purpose It covers almost all relevant business and personal challenges that one would face in Vietnam with the authors firsthand experience shining through in their handling of culture issues and the Vietnamese mindset Despite the constraints on size it has sufficient details and a wealth of references to guide entrepreneurs and business executives in the right direction Crisply written with interviews and real life anecdotes it makes for a very interesting read A must read book and an invaluable tool kit for anyone looking to Vietnam for business Manish Dhawan Vice President Coffee Division Olam International Limited

Fast Food Vindication Lisa Tillinger Johansen (MS, RD.),2012 For years dozens of books documentaries and magazine articles have targeted the fast food industry as the cause for many of society s ills ranging from the obesity epidemic to the proliferation of dead end jobs Now hospital dietitian Lisa Johansen makes the bold case that the fast food industry is actually a positive force in society Johansen takes the reader from the industry s scrappy entrepreneurial beginnings to its emergence as a global business generating hundreds of billions of dollars annually Far from a blight on society the fast food industry has distinguished itself by providing a product that meets high standards of quality and safety often healthier than meals served at home and in sit down restaurants The myth of the McJob is debunked by true life cases of corporate titans who succeeded by virtue of the fast food chains practice of promoting from within And relying on her years of counseling patients at one of the nation s largest health networks Johansen shows the reader just how easily fast food can be incorporated into a healthy lifestyle Lively and informative FAST FOOD VINDICATION destroys the media myths and paints the true picture of an industry that touches the lives of millions

The Sorcerer's Apprentice Bruce Hillman,Jeff Goldsmith,2010-10-29 Many will remember the segment of The Sorcerer s Apprentice in the Disney film Fantasia it is a perfect metaphor for medical imaging as it stands today The apprentice magician tests his nascent skills at sorcery by bringing common household items to life and putting them to work At first things go well but eventually he loses control and chaos ensues Medical imaging too could spin out of control The benefits of imaging are undeniable In the past thirty years innovations like CT MRI and PET scanning have not only markedly reduced clinical risk for patients but have also transformed medical practice Its costs however have grown explosively to the point where imaging expenses have become a political issue The aggressive adoption of imaging technology has raised issues about the role of inappropriate economic incentives and the role of defensive medicine in driving up medical costs Radiologists have utilized imaging technology to transform their practice from a pure diagnostic discipline into a curative one Radiologists are among the most successful knowledge workers in the entire economy leveraging digital information technology and Internet connectivity to become the first global medical discipline Imaging is poised to make a further

quantum advance into the workings of the human cell and the molecular biology of complex disease Where is this remarkable technology and the discipline which uses it headed How can society make the most responsible use of this powerful new tool How will imaging and radiologists reshape medical practice These questions will be answered by The Sorcerer s Apprentice

Guilty Ann Coulter, 2009-01-06 Liberals seem to have hit upon a reverse Christ story as their belief system He suffered and died for our sins liberals make the rest of us suffer for sins we didn t commit Who are the victims here To hear liberals tell it you d think they do nothing but suffer at the hands of ruthless entities like the Republican Attack Machine and Fox News Really It s just another instance of the Big Lie of course told so often that some people have actually started to believe it In Guilty Ann Coulter explodes this myth to reveal that when it comes to bullying no one outdoes the Left Citing case after case ranging from the hilariously absurd to the shockingly vicious Coulter dissects these so called victims who are invariably the oppressors For instance Single mothers Getting pregnant isn t like catching the flu There are volitional acts involved someone else explain it to Dennis Kucinich By this purposeful act single mothers cause irreparable harm to other human beings their own children as countless studies on the subject make clear The myth of the Republican Attack Machine The most amazing thing liberals have done is create the myth of a compliant right wing media with Republicans badgering baffled reporters into attacking Democrats It s so mad it s brilliant It s one kind of lie to say the Holocaust occurred when the Swedes killed the Jews But it s another kind of lie entirely to say the Holocaust occurred when the Jews killed the Nazis Brave liberals In addition to being beautiful compassionate tribunes of the downtrodden liberals are brave I know that because they re always telling me how brave they are Why five nights a week MSNBC s Keith Olbermann courageously books guests who completely agree with him It doesn t get much braver than that Obambi s luck While B Hussein Obama piously condemned attacks on candidates families his media and campaign surrogates ripped open the court sealed divorce records of his two principal opponents in his Senate race in Illinois The offenders are offended Republican senator George Allen s career was destroyed when he made a joking remark to a privileged Indian American harassing him at campaign stops When did rich kids become a new protected category that must be shielded from words that are insulting in other languages How did Sidarth become a specially anointed victim What did we ever do to India And why didn t we ever hear about the far more offensive anti Semitic flyers of Allen s opponent Jim Webb One essential and recurring truth about self righteous liberals says Coulter is that they viciously attack all while wailing that they are the true victims With Guilty a mordantly witty and shockingly specific catalog of offenses that liberals would rather we ignore and forget Ann Coulter presents exhibits A through Z
