Great Boards for Small Groups Andy Robinson,2006 Yours is a good board but you want it to be better You want clearly defined objectives Meetings with more focus Broader participation in fundraising And more follow through between meetings You want these and a dozen other tangibles and intangibles that will propel your board from good to great Say hello to your guide Andy Robinson who has a real knack for offering forehead slapping solutions Of course Why haven t we been doing this Take what he says about written agreements among board members Any meaningful job description must be reciprocal it defines what is expected of you but also what you can expect in return Example I accept fiduciary responsibility for the organization and will oversee its financial health and integrity By the same token I expect timely accurate and complete financial statements to be distributed at least quarterly one week in advance of the relevant board meeting In other words the board knows what to expect the staff knows what to do Each is accountable Simple right So why does the 10 item sample agreement Robinson provides seem so revolutionary Perhaps because so few people have tried an agreement like this Then there s what the author calls the Fundraising Menu Here board members are asked to generate a list of all the ways direct and indirect they could assist in fundraising The list is prioritized and then used to help each trustee prepare a personalized fundraising agreement that meets his or her specific needs interests and limitations Again simple but it s the closest thing you ll find to guaranteeing a board s commitment to raising money Toward the end of his book in a number of How to Fix It chapters Robinson homes in on specific problems such as poorly attended meetings spotty follow through on commitments inactive board members narrow consensus conflicts of interest weak agendas and much more And Robinson doesn t offer up easy nostrums Quite the opposite Over the past 20 years as a board member a volunteer and a consultant he s put into practice what he preaches and stands unshakably behind his fog burning advice Great Boards for Small Groups contains 31 brief chapters In fact the whole book can be read in an hour Funny thing though its impact on those who heed its advice will last for years Board Member Orientation Holly Kleinsasser,1995 With every new member The face personality and skills of a nonprofit board change The sooner that these newcomers are brought up to speed about the business of the nonprofit And The board The sooner all will benefit from the abilities they possess This resource is designed to help executives provide effective in house orientation to rookie board members it will help all walk through the basic responsibilities of board

Building Museum Boards Daryl Fischer, Laura B. Roberts, 2018-04-04

Templates for Trustees is a four part series designed by the Museum Trustee Association to focus attention on key processes and tasks of governance. The books and web based customizable templates include tools that collect information and then guide the board in using that information to organize their thoughts, identify their priorities and plan their actions. All templates in the series have two parts: a printed guide and an on line website. Purchasers of the books have access to the ongoing assistance of MTA staff.

Building Museum Boards examines emerging practices in nonprofit governance including diversifying board composition, improving board effectiveness and strengthening the governance committee. The text and templates guide the governance committee through every step of the nomination and board building process including identifying and cultivating board prospects, crafting job descriptions for members, officers and committees, ensuring compliance with conflict of interest standards and orienting and activating new board members. The entire process is summarized in an interactive calendar.
