## **Rex Reed Pro Bette Davis:**

**Bette & Joan** Shaun Considine, 2017-01-25 This joint biography of Bette Davis and Joan Crawford follows Hollywood's most epic rivalry throughout their careers. They only worked together once in the classic spine-chiller *What Ever Happened to Baby Jane* and their violent hatred of each other as rival sisters was no act. In real life, they fought over as many men as they did film roles. The story of these two dueling divas is hilarious, monstrous, and tragic, and Shaun Considine's account of it is exhaustive, explosive, and unsparing. Rip-roaring. A definite ten. *New York Magazine*      **The Penguin Book of Interviews**

Christopher Silvester, 1993 A collection of interviews with Karl Marx, Theodore Roosevelt, Rudyard Kipling, Christabel Pankhurst, Sigmund Freud, Adolf Hitler, Benito Mussolini, Joseph Stalin, Mahatma Gandhi, Marilyn Monroe, Mao Tse-tung, Margaret Thatcher, Arthur Miller, John F. Kennedy, John Lennon, Pablo Picasso, Sigmund Freud, Tolstoy, Ibsen, Oscar Wilde.

**Valentines & Vitriol** Rex Reed, 1978      **Intimacies** Alan Ebert, 1980 No one gets the stars to talk like Alan Ebert can. His interviews in *Cosmopolitan*, *McCall's Ladies Home Journal*, and *Essence* continue to enthrall millions. The stars trust him with the truth; you can trust him to tell the truth all of it. Back cover      **Joan Blondell** Matthew Kennedy, 2007 The first major biography of an actress with a long and lustrous career in film and television      **Fasten Your Seat Belts** Lawrence J. Quirk, 1990-02-22 The illuminating, comprehensive biography of Bette Davis, one of the most electrifying Hollywood stars ever to grace the silver screen. With a career spanning six decades and more than eighty films, Bette Davis is synonymous with Hollywood legend. From her incandescent performance as Margo Channing in *All About Eve* to her terrifying psychopathic Jane Hudson in *What Ever Happened to Baby Jane*, Davis generated electricity wherever she appeared, whatever she did, and not just on the silver screen. Her personal life was as passionate as her career and was so fiery that it eventually consumed her. In this landmark biography, Lawrence J. Quirk takes us behind the scenes of all of Davis's movies, from her early unpromising roles to her commanding presence at the pinnacle of stardom to her degrading exploitation in horror films at the end of her career. Quirk delves into Davis's four unhappy marriages as well as her frosty manipulative relationships with her three children. Also revealed are her many affairs through the years with leading men, bit players, servicemen during World War II, and very late in her life, much younger men who repaid her by using her and deserting her. Intense, volatile, ruled often by her emotions, Bette Davis was described by one critic as a force of nature that could find no ordinary outlet. **Fasten Your Seat Belts** brilliantly explores the life and career of Bette Davis to show us the fascinating original she was.      **New York Magazine**, 1987-03-30 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.      *The Hollywood Storyteller* Mark Drop, 1992      **The New York Times Biographical Service**, 1974-07 A

compilation of current biographical information of general interest      **Ann Sheridan** Michael D. Rinella, 2024-07-18 Ann Sheridan was much more than just Hollywood's glamorous and sexy Oomph Girl. She was also a versatile actress who beguiled movie audiences with her vibrant personality and no nonsense acting style opposite some of the biggest stars of the time like James Cagney, Bette Davis, Humphrey Bogart, Cary Grant, and Errol Flynn. She excelled in multiple genres including drama, comedy, and musical with ease and individual style. Several of her movies like *Angels with Dirty Faces*, *Kings Row*, and *I Was a Male War Bride* endure today as classic films from Hollywood's Golden Age. In this first ever full length biography, Ann Sheridan's colorful life and 34 year career are examined in detail including her long climb to motion picture stardom, the years as a top box office draw, her three marriages, and other significant romantic relationships.      Enduring Values June Sochen, 1987-11-11 *Enduring Values* offers a critical examination of 20th century treatments of women in several mass media areas including music, film, and television. This volume is unique in its wide coverage of various media forms and of the corresponding images of women within the respective areas. From the Preface      *Vogue*, 1978      Screen Actor, 1970  
Stanwyck Jane Ellen Wayne, 1987 The passionate up and down life of superstar Barbara Stanwyck is revealed in this intimate and moving biography from the author of *The Life of Robert Taylor and Kings of Tragedy*      **The Hollywood Reporter**, 1989      Vanity Fair, 1998      **New York Times Saturday Review of Books and Art**, 1981      **Freedomways**, 1979      **Right Back Where We Started** Joseph F. Kelly, Joseph Kelly, 2003-09 Bobby Darling has a lot of catching up to do. He missed his youth, most of his friends, and some great parties. In fact, he spent the last 20 years in a persistent vegetative state. But Bobby's problems are just getting started. It seems Bobby is on a list of terminally ill patients who have outlived their life expectancies. The insurers who own the policies on these patients hope to nudge the process along a bit. If that isn't enough, Bobby's roommate Anthony has made it clear he wants to be more than just friends. To free spirited Bobby, that might be a fate worse than the hitman heading his way. Maybe Bobby should've stayed in that coma. Can two gay men share an apartment without driving each other horny? More than that, they must ask themselves, can we get Right Back Where We Started.      *Saturday Afternoon at the Bijou* David H. Zinman, 1973 This book looks at some of the most popular movie series made. It includes the background of each series, information on the characters, and the actors who portrayed them.
