God Reza Aslan, 2017-11-07 NEW YORK TIMES BESTSELLER The author of *Zealot* explores humanity's quest to make sense of the divine in this concise and fascinating history of our understanding of God In *Zealot* Reza Aslan replaced the staid well worn portrayal of Jesus of Nazareth with a startling new image of the man in all his contradictions In his new book Aslan takes on a subject even more immense God writ large In layered prose and with thoughtful accessible scholarship Aslan narrates the history of religion as a remarkably cohesive attempt to understand the divine by giving it human traits and emotions According to Aslan this innate desire to humanize God is hardwired in our brains making it a central feature of nearly every religious tradition As Aslan writes Whether we are aware of it or not and regardless of whether we're believers or not what the vast majority of us think about when we think about God is a divine version of ourselves But this projection is not without consequences We bestow upon God not just all that is good in human nature our compassion our thirst for justice but all that is bad in it our greed our bigotry our penchant for violence All these qualities inform our religions cultures and governments More than just a history of our understanding of God this book is an attempt to get to the root of this humanizing impulse in order to develop a more universal spirituality Whether you believe in one God many gods or no god at all *God A Human History* will challenge the way you think about the divine and its role in our everyday lives Praise for *God* Timely riveting enlightening and necessary HuffPost Tantalizing Driven by Reza Aslan's grace and curiosity *God* helps us pan out from our troubled times while asking us to consider a more expansive view of the divine in contemporary life The Seattle Times A fascinating exploration of the interaction of our humanity and God Pittsburgh Post Gazette Aslan's slim yet ambitious book is the story of how humans have created God with a capital G and it's thoroughly mind blowing Los Angeles Review of Books Aslan is a born storyteller and there is much to enjoy in this intelligent survey San Francisco Chronicle *Zealot* Reza Aslan, 2014-09-09 1 NEW YORK TIMES BESTSELLER A lucid intelligent page turner Los Angeles Times that challenges long held assumptions about Jesus Two thousand years ago an itinerant Jewish preacher walked across the Galilee gathering followers to establish what he called the Kingdom of God The revolutionary movement he launched was so threatening to the established order that he was executed as a state criminal Within decades after his death his followers would call him God Sifting through centuries of mythmaking Reza Aslan sheds new light on one of history's most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived Balancing the Jesus of the Gospels against the historical sources Aslan describes a man full of conviction and passion yet rife with contradiction He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary And he grapples with the riddle of how Jesus understood himself the mystery that is at the heart of all subsequent claims about his divinity *Zealot* yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus' life and mission Praise for *Zealot* Riveting Aslan synthesizes Scripture

and scholarship to create an original account The New Yorker Fascinatingly and convincingly drawn Aslan may come as close as one can to respecting those who revere Jesus as the peace loving turn the other cheek true son of God depicted in modern Christianity even as he knocks down that image The Seattle Times Aslan s literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops A vivid persuasive portrait Salon This tough minded deeply political book does full justice to the real Jesus and honors him in the process San Francisco Chronicle A special and revealing work one that believer and skeptic alike will find surprising engaging and original Jon Meacham Pulitzer Prize winning author of Thomas Jefferson The Art of Power Compulsively readable This superb work is highly recommended Publishers Weekly starred review

No God But God Reza Aslan,2005 Much of the Muslim faith remains largely unknown and misunderstood in the West To many in the west Islam means jihad veiled women and suicide bombers Yet these represent only fringe elements of the world s fastest growing religion While there have been a number of successful books on the topic of Islamic history from Karen Armstrong s Islam A Brief History to Bernard Lewis s The Crises of Islam there is surprisingly no book for a popular audience about Islam as a religion let alone one by an author from an Islamic background No God But God fills that gap addressing issues of belief the difference between the Quran and the Bible the meaning of the Hajj the Muslim relationship with Jesus the Muslim attitude towards Jews equality between the sexes and more

God Reza Aslan,2018-08-09 THE NEW YORK TIMES BESTSELLER In God Reza Aslan sheds new light on mankind s relationship with the divine and challenges our perspective on faith and the birth of religion From the origins of spiritual thought to the concept of an active engaged divine presence that underlies all creation Aslan examines how the idea of god arose in human evolution was gradually personalized endowed with human traits and emotions and eventually transformed into a single Divine Personality the God known today by such names as Yahweh Father and Allah Bold wide ranging and provocative God challenges everything we thought we knew about the origins of religious belief and with it our relationship with life and death with the natural and spiritual worlds and our understanding of the very essence of human existence

No God But God Reza Aslan,2006 In this compelling and profoundly hopeful book Aslan demonstrates that Islam has much in common with Christianity and Judaism and bears seeds of egalitarianism and social reform at its core

Zealot: the Life and Times of Jesus of Nazareth- Persian Translation Reza Aslan,Javad Seifian,2014-07-01 From the internationally bestselling author of No god but God comes a fascinating provocative and meticulously researched biography that challenges long held assumptions about the man we know as Jesus of Nazareth Two thousand years ago an itinerant Jewish preacher and miracle worker walked across the Galilee gathering followers to establish what he called the Kingdom of God The revolutionary movement he launched was so threatening to the established order that he was captured tortured and executed as a state criminal Within decades after his shameful death his followers would call him God Sifting through centuries of mythmaking Reza Aslan sheds new light on one of history s most influential and enigmatic characters by examining Jesus through the lens of the tumultuous era in which he lived first century

Palestine an age awash in apocalyptic fervor Scores of Jewish prophets preachers and would be messiahs wandered through the Holy Land bearing messages from God This was the age of zealotry a fervent nationalism that made resistance to the Roman occupation a sacred duty incumbent on all Jews And few figures better exemplified this principle than the charismatic Galilean who defied both the imperial authorities and their allies in the Jewish religious hierarchy Balancing the Jesus of the Gospels against the historical sources Aslan describes a man full of conviction and passion yet rife with contradiction a man of peace who exhorted his followers to arm themselves with swords an exorcist and faith healer who urged his disciples to keep his identity a secret and ultimately the seditious King of the Jews whose promise of liberation from Rome went unfulfilled in his brief lifetime Aslan explores the reasons why the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary And he grapples with the riddle of how Jesus understood himself the mystery that is at the heart of all subsequent claims about his divinity Zealot yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus of Nazareth s life and mission The result is a thought provoking elegantly written biography with the pulse of a fast paced novel a singularly brilliant portrait of a man a time and the birth of a religion Praise for Zealot Riveting Aslan synthesizes Scripture and scholarship to create an original account The New Yorker A lucid intelligent page turner Los Angeles Times

Fascinatingly and convincingly drawn Aslan may come as close as one can to respecting those who revere Jesus as the peace loving turn the other cheek true son of God depicted in modern Christianity even as he knocks down that image The Seattle Times Aslan s literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops A vivid persuasive portrait Salon This tough minded deeply political book does full justice to the real Jesus and honors him in the process San Francisco Chronicle

Disarming the Church Eric A. Seibert,2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently What can be done to transform the church so that it looks more like Jesus Eric Seibert explores these questions in this important and timely study He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence warfare and killing Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict correct injustice and stop oppression without resorting to violence Many nonviolent alternatives are discussed throughout the book

alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power In a world filled with so much violence hate and fear alternatives like these are desperately needed This book offers hope that a better way is possible one that has the potential to transform the church and change the world So read on and join in Paul's Letters and the Construction of the European Self Fatima Tofighi,2017-01-26 Even when he was a prototype of European identity Paul transgressed the limits of Europe It is not clear whether he was conformist or rebellious orthodox or liberal sexist or egalitarian Instead of pushing the Apostle into the arbitrary categories of modern European identity Fatima Tofighi takes into account the challenge that Paul brings to normative conceptions of political theology Rom 13 religion Gal 2 12 14 and women s veiling 1 Cor 11 5 16 Alternative interpretations of these passages with the help of postmodern theory both solve the major problems of biblical exegesis and offer a critique of the allegedly well defined European categories **The Certainty of Uncertainty** Mark Schaefer,2018-08-23 The world is full of people who are very certain in politics in religion in all manner of things In addition political religious and social organizations are marketing certainty as a cure all to all life s problems But is such certainty possible Or even good The Certainty of Uncertainty explores the question of certainty by looking at the reasons human beings crave certainty and the religious responses we frequently fashion to help meet that need The book takes an in depth view of religion language our senses our science and our world to explore the inescapable uncertainties they reveal We find that the certainty we crave does not exist As we reflect on the unavoidable uncertainties in our world we come to understand that letting go of certainty is not only necessary it s beneficial For in embracing doubt and uncertainty we find a more meaningful and courageous religious faith a deeper encounter with mystery and a way to build strong relationships across religious and philosophical lines In The Certainty of Uncertainty we see that embracing our belief systems with humility and uncertainty can be transformative for ourselves and for our world The Jihad of Jesus Dave Andrews,2015-05-29 We are caught up in the cycle of so called holy wars In The Jihad of Jesus Dave Andrews argues that while this inter communal conflict is endemic it is not inevitable Depending on our understanding our religions can be either a source of escalating conflict or a resource for overcoming inter communal conflict and for our religions to be a resource for overcoming conflict we need to understand the heart of all true religion as open hearted compassionate spirituality In the light of an open hearted compassionate spirituality we can reclaim the word jihad from extremists who have mis appropriated it as a call to holy war and reframe it in truly Qur anic terms as a sacred nonviolent struggle for justice and we can reconsider Jesus as he is in the Gospels not as a poster boy for Christians fighting crusades against Muslims but as a strong but gentle Messianic figure who can bring Christians and Muslims together As this book shows many Christians and Muslims have found Isa Jesus and the Bismillah celebrating the mercy grace and compassion of God as common ground upon which they can stand and work for the common good The Jihad of Jesus is a handbook for reconciliation and action a do it yourself guide for all Christians and Muslims who want to move

beyond the clash of civilizations join the jihad of Jesus and struggle for justice and peace nonviolently side by side

Crusade 2.0 John Feffer, 2012-03-20 In his official response to the attacks of September 11 George W Bush invoked the Crusades tapping into a centuries long history of fear and aggression The West's longstanding perception of Islam as a threat has taken on new and more complex implications in the twenty first century as years of migration and resulting demographic shifts have brought the enemy within Western borders Virulent opposition to the planned construction of an Islamic center near the 9 11 attack site in New York City reveals much about the intensity of public sentiments simmering just below the surface As the United States and countries across Europe struggle with a resurgence of unexamined fear and antagonism often directed against their own citizens the imperative for better understanding could not be greater *Crusade 2.0* examines the resurgence of anti Islamic sentiment in the West and its global implications John Feffer discusses the influence of three unfinished wars the Crusades the Cold War and the current war on terror He presents a timely concise and provocative look at current events in the context of historical trends and goes beyond a clash of civilizations critique to offer concrete ways to defuse the ticking bomb of Islamophobia John Feffer's *Crusade 2.0 The West's Resurgent War On Islam* offers a brief but effective exposé of a social cancer that continues to grow exponentially in America and Europe threatening the security and civil liberties of Muslims and the principles and values of Western democracies John L Esposito John Feffer's illuminating and important new work *Crusade 2.0* sheds light on the disturbing phenomenon of Islamophobia in America with a clear eyed view of history meticulous research and persuasive arguments This accessible and informative book shows how fear mongering when married to ignorance and selfish political agendas not only threatens to marginalize entire communities of innocent people but also undermine the core values of pluralism tolerance and fairness that define America Wajahat Ali If you want to understand the particular madness of America's twenty first century you need to read John Feffer's account of how Washington launched *Crusade 2.0* including two invasions and occupations of Muslim lands and a Global War on Terror sporting aptly named Hellfire missiles aimed directly at the Muslim world Add in the injection of fear of Islam directly into the American bloodstream and the rise of Islamophobia as domestic political red meat and you have a truly American nightmare Feffer is its Homer and this is our sad Odyssey Tom Engelhardt John Feffer is co director of Foreign Policy in Focus at the Institute for Policy Studies in Washington DC He is the author of several books including *North Korea South Korea* His essays have been published in *The New York Times* *The Boston Globe* and elsewhere he has been interviewed by CNN MSNBC Al Jazeera Democracy Now and other international news media [Rhetorics of Religion in American Fiction](#) Liliana M. Naydan, 2016-05-23 *Rhetorics of Religion in American Fiction* considers the way in which contemporary American authors address the subject of belief in the post 9 11 Age of Terror Naydan suggests that after 9 11 fiction by Mohsin Hamid Laila Halaby Philip Roth Don DeLillo John Updike and Barbara Kingsolver dramatizes and works to resolve impasses that exist between believers of different kinds at the extremes These impasses emerge out of the religious paradox that shapes

America as simultaneously theocratic and secular and they exist for instance between liberals and fundamentalists between liberals and certain evangelicals between fundamentalists and artists and between fundamentalists of different varieties Ultimately Naydan argues that these authors function as literary theologians of sorts and forge a relevant space beyond or between extremes They fashion faith or lack thereof as hybridized and hence as a negotiation among secularism atheism faith fundamentalism and fanaticism In so doing they invite their readers into contemplations of religious difference and new ways of memorializing 9 11

Uniting Against Terror David Cortright, George A. Lopez, 2007 Argues that defeating the global terrorist threat requires engaging international financial diplomatic intelligence and defense communities and law enforcement organizations in an atmosphere of cooperation cover
