One B. Nyamnjoh, A. Carpenter, 2020-05-25 This volume brings together seven empirically grounded contributions by African social scientists of different disciplinary backgrounds The authors explore the social impact of religious innovation and competition in present day Africa They represent a selection from an interdisciplinary initiative that made 23 research grants for theologians and social scientists to study Christianity and social change in contemporary Africa These contributions focus on a variety of dynamics in contemporary African religion mostly Christianity including gender health and healing social media entrepreneurship and inter religious borrowing and accommodation The volume seeks to enhance understanding of religions vital presence and power in contemporary Africa It reveals problems as well as possibilities notably some ethical concerns and psychological maladies that arise in some of these new movements notably neo Pentecostal and militant fundamentalist groups Yet the contributions do not fixate on African problems and victimization Instead they explore sources of African creativity resiliency and agency The book calls on scholars of religion and religiosity in Africa to invest new conceptual and methodological energy in understanding what it means to be actively religious in Africa today Daily Graphic Ransford Tetteh, 2014-09-11

been a secret but social networking offers us a new perspective on the way we engage our community How do these networks impact our relationships In what ways are they shaping the way we think of ourselves And how might this phenomenon subtly reflect a God who longs to connect with each one of us The Church of Facebook explores these ideas and much more offering a revealing look at the wildly popular world of online social networking [My Facebook Stories](#) Tina Viesca,2019-06-30 Daily devotionals to better a personal walk with Christ My book was written to Mature the level of your faith Giving Daily Devotionals that will strengthen and encourage another in the faith walk with Christ A community who loves the Lord and desires to do His will Gatherings through Social Media Platforms to grow the body of Christ Opportunities to receive Prophetic Word and Prayers for present circumstance as God wills Access to Groups for Prayer through Leadership around the world Opportunity to grow in your gifts and talents through our Outreaches Missions Heart in building Global Around the World Fresh encounters with the fellowship with our Heavenly Father through Prayer Praise and Worship Developing the Character of Christ through the Word of God Just a small note from the Author God has placed such a great mandate from heaven to deliver the Word of God And your participation in this Ministry will be changing lives I remember when I wanted to be there and be active in all kinds of servanthood I would give my All and at times it seemed as that wasn't enough God would always remind me that Little is Much when I Am In It that would excite me even more because Little is what I had And I want to reaffirm those very same words in your heart Knowing that your love support and prayers mean so much to me and just think about the lives you will be reaching one day at a time Helping me touch the World through the Hands of Jesus God Bless You THESE ARE REAL LIFE STORIES WORDS OF ENCOURAGEMENT BATTLES THAT WE OVERCOME BY THE WORDS OF OUR TESTIMONY WE ARE A WALKING PROCESS UNTIL KINGDOM COMES THANKS FOR SHARING MY LIFE STORIES WITH ME AND IN BRINGING GOD'S PRESENCE ON THE SCENE TO BE CONTINUED **God's Face In Facebook** , *Facebook Fairytales* Emily Liebert,2010-04 Stories to touch and inspire for and from the social networking *An Ugly Truth* Sheera Frenkel,Cecilia Kang,2022-07-05 INSTANT NEW YORK TIMES BESTSELLER WINNER OF THE SABEW BEST IN BUSINESS AWARD A Book of the Year Fortune Foreign Affairs The Times London Cosmopolitan TechCrunch WIRED The ultimate takedown New York Times Book Review Award winning New York Times reporters Sheera Frenkel and Cecilia Kang unveil the tech story of our times in a riveting behind the scenes expos that offers the definitive account of Facebook's fall from grace Once one of Silicon Valley's greatest success stories Facebook has been under constant fire for the past five years roiled by controversies and crises It turns out that while the tech giant was connecting the world they were also mishandling users data spreading fake news and amplifying dangerous polarizing hate speech The company many said had simply lost its way But the truth is far more complex Leadership decisions enabled and then attempted to deflect attention from the crises Time after time Facebook's engineers were instructed to create tools that encouraged people to spend as much time on the platform as possible even as those same tools boosted inflammatory

rhetoric conspiracy theories and partisan filter bubbles And while consumers and lawmakers focused their outrage on privacy breaches and misinformation Facebook solidified its role as the world's most voracious data mining machine posting record profits and shoring up its dominance via aggressive lobbying efforts Drawing on their unrivaled sources Sheera Frenkel and Cecilia Kang take readers inside the complex court politics alliances and rivalries within the company to shine a light on the fatal cracks in the architecture of the tech behemoth Their explosive exclusive reporting led them to a shocking conclusion The missteps of the last five years were not an anomaly but an inevitability this is how Facebook was built to perform In a period of great upheaval growth has remained the one constant under the leadership of Mark Zuckerberg and Sheryl Sandberg Both have been held up as archetypes of uniquely 21st century executives he the tech boy genius turned billionaire she the ultimate woman in business an inspiration to millions through her books and speeches But sealed off in tight circles of advisers and hobbled by their own ambition and hubris each has stood by as their technology is coopted by hate mongers criminals and corrupt political regimes across the globe with devastating consequences In *An Ugly Truth* they are at last held accountable

When Do I Finally Get Out of the Bleachers? Theresa Ricklefs, 2018-11 During the year 2015 I was suddenly thrust out of the bleachers into full time ministry on Facebook In this groundbreaking book Theresa Terry Ricklefs talks candidly about the unique challenges of Facebook prophetic ministry In a few months time her group *Stirring Up the Gifts* grew from 50 to over 5 000 members and grew further in numbers from then on Facebook prophetic ministry did not bring herself but hundreds and most likely thousands of believers out of the bleachers during this time She mentions the overwhelming need for qualified prophetic ministers and the demand for free personal prophetic words Burnout in ministry is a huge problem on Facebook and this is also addressed Other topics such as prophetic accountability how to relate to other leaders in a healthy manner and the shortage of connections and publicity which remains a large problem If you desire to speak on the Facebook prophetic movement in your local church read this book If you are considering starting a Facebook prophetic group of your own this book is highly recommended Also included are teaching articles on hearing God and various aspects of the prophetic that were written and published over a span of three years on Facebook by Terry She is a graphic designer by profession so these articles are published with custom made graphics
