*Rhetorical Questions* □□□□,2018-02-16 Traditional accounts of rhetorical questions have focused on polarity reversal rhetorical questions conveying assertions opposite in polarity to the propositional content However non polarity reversed and rhetorically ambiguous interrogatives are also common In this book Risa Goto seeks a theoretical approach that can explain this pragmatic ambiguity with respect to rhetoricity The relevance theoretic view of interrogative and ironical utterances assumes no clear cut borderline between information seeking and rhetorical use of interrogative utterances The cognitive model of irony suggests that recognition of ironicalness necessarily leads to a rhetorical reading Goto combines these two theoretical frameworks into an entirely new cognitive pragmatic model of interrogatives discussing the causal interrelation between rhetoricity and ironicalness and showing that ironical aspects in interrogative utterances can lead to rhetorical readings

**The Performative Dimensions of Rhetorical Questions in the Hebrew Bible** Jim W. Adams,2020-07-23 This book sets out to describe the multi dimensional nature and function of rhetorical questions in the Old Testament Biblical scholars have previously analyzed the use of rhetorical questions in both Testaments but consistently describe their function in persuasive terms While this understanding is appropriate in a number of instances many rhetorical questions do not operate this way and Jim W Adams focuses in particular on rhetoric expressing the self involvement of both the speaker and hearer Among linguistic philosophers speech act theory has illuminated the fact that uttering a sentence does not merely convey information it may also involve the performing of an action The concept of communicative action provides additional tools to the exegetical process as it points the interpreter beyond the assumption that the use of language is merely for descriptive purposes Language can also have performative and self involving dimensions In relation to speech act theory linguistic specialists continue to research the nature of rhetorical questions

**Woman's World** ,1925 *On Style in Victorian Fiction* Daniel Tyler,2022-01-06 Some writers of the Victorian period as well as more recent critics have argued that the prose style of Victorian fiction aims to efface itself or that an absence of style may in itself represent the nineteenth century ideal This

collection provides a major assessment of style in Victorian fiction and demonstrates that style the language techniques and artistry of prose is inseparable from meaning and that it is through the many resources of style that the full compass of meaning makes itself known Leading scholars in the field present an engaging assessment of major Victorian novelists illustrating how productive and illuminating close attention to literary style can be Collectively they build a fresh and nuanced understanding of how style functioned in the literature of the nineteenth century and propose that the fiction of this era demands we think about what style does as much as what style is

Sexual and Marital Metaphors in Hosea, Jeremiah, Isaiah, and Ezekiel Sharon Moughtin-Mumby, 2008-06-05 Sharon Moughtin Mumby considers the often unrecognised impact of different approaches to metaphor on readings of the prophetic sexual and marital metaphorical language She outlines a practical and consciously simplified approach to metaphor placing strong emphasis on the influence of literary context on metaphorical meaning Drawing on this approach she read Hosea 4 14 Jeremiah 2 1 4 4 Isaiah Ezekiel 16 and 23 and Hosea 1 3 with fresh eyes Her lucid new readings reveal the way in which scholarship has repeatedly stifled the prophetic metaphorical language by reading it within the default contexts of the marriage metaphor and cultic prostitution which for so many years have been simply assumed Readers are encouraged instead to read these diverse metaphors and similes within their distinctive literary contexts in which they have the potential to rise vividly to life provoking the question how are we to respond to these disquieting powerful texts in the midst of the Hebrew Bible
