

Where's Billy?

Anna's friend Mike was going on a vacation with his family for a week. He wasn't allowed to take his pet chameleon Billy with him, so he asked Anna if she could take care of Billy until he got back. Anna was so excited, she had never taken care of a pet before! She had to ask her parents if it was okay with them, before she could say yes to Mike. That evening when she got home from school, she explained Mike's request to her mom and dad.

"We don't have a problem with Mike or Billy, but taking care of someone else's pet is a big responsibility Anna," her mom explained.

"Should something happen to Billy, then you would be held responsible for him. Mike would be very very upset. So, only if you're *soo* sure that you would be able to take good care of Billy, then yes you may bring him home and watch him," Anna's dad said.

Anna knew she could take great care of Billy. She phoned Mike and told him to come over, so he could explain everything she had to do to take care of Billy. The day before Mike left for his vacation, he came over with Billy and his supplies. He explained how and when to feed Billy, how to give him a bath, what toys he liked, when his bedtime was, and what to do if he got sick. Anna listened very carefully to Mike's instructions. She wanted to make sure she took really good care of Billy. Soon it was time for Mike to leave.

"Thank you for agreeing to take care of Billy. I'll miss you guys!" Mike said.
