

The Mystery of Macy's Money

There are about nine million people in New York City, thought Detective Hanlon. All I have to do is find out who took \$250,000 from the safe at Macy's Department Store.

There was a broken window in the office. The safe door was open. Detective Hanlon looked out the window. Outside on the ground, there were shards of glass. The carpet by the window was clean.

Just then, Charles Taylor, an assistant manager, walked in. Detective Hanlon noticed bandages on Taylor's hands. Taylor pulled the sleeve of his jacket over the bandages.

"I am sorry I wasn't here to meet you, detective. I don't know how this could have happened!" exclaimed Taylor.

"Do you always have this much money in the safe?" asked Hanlon.

"No, we were going to give bonuses to some of our employees," answered Taylor.

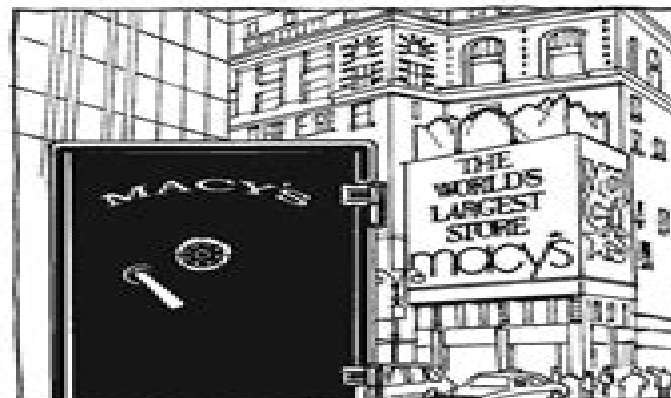

"Were you going to get a bonus, Mr. Taylor?" asked Hanlon.

"No, only the sales staff was going to get bonuses. I didn't think that was very fair. But then, my opinion doesn't matter much around here," replied Taylor.

"Who has the combination to the safe?" asked Hanlon.

"Only my supervisor, Harold Stevens, and I," answered Taylor. "Mr. Stevens just left for a vacation in Hawaii."

"I think that you will be going away for a while too, Mr. Taylor, but not to Hawaii," said Hanlon.

Think about it...

Hanlon knows who took the money. Do you?

Short Mystery Stories 6th Grade Introduction

In today's digital age, the availability of Short Mystery Stories 6th Grade books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Short Mystery Stories 6th Grade books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Short Mystery Stories 6th Grade books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Short Mystery Stories 6th Grade versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Short Mystery Stories 6th Grade books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Short Mystery Stories 6th Grade books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Short Mystery Stories 6th Grade books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Short Mystery Stories 6th Grade books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Short Mystery Stories 6th Grade books and manuals for download and embark on your journey of knowledge?
