Current Affairs UPSC Prelims and Mains Exam 2020 Subject Wise Current Affairs Important Trending topics for IAS Exam
Subject Wise Current Affairs is an effort to make current affairs available in a more organized manner in accordance with the
UPSC Exam Syllabus Current affairs are of course the most important aspect in Civil services Exam preparation We should

always analyse Current affairs from the UPSC preliminary exam and the UPSC mains exam perspective No matter which subject UPSC asks questions from economics environment History or from polity it makes conscious efforts to link the subject to a current affair topic It thus becomes an imperative for us to know what the term current affairs really mean from UPSC point of view You can get a proper understanding through the analysis of the previous year question papers If we examine the question papers from 2013 onwards till 2019 preliminary exam almost close to 50 60% of the questions were asked from topics that are of current relevance The number of questions based on Current Affairs varies from year to year The logic behind such a shift in the pattern of question papers explains the intent of UPSC and its quest to have brightest minds to govern the country However for the quest to be fruitful it would be appropriate from the part of UPSC to examine the candidate s awareness about the society in which he is living Static knowledge would prove inefficient for such an analysis Society is dynamic and is subjected to changes A Civil Servant should have the skills of a barrister and also that of a diplomat in order to cope with the changing society and also show the cognitive skills to coordinate mobilize arguments and achieve consensus in regard to the execution of his duty This analytical nature of the duty demands the UPSC aspirants to have an analytical mind and awareness of the society upscexam2020 iasexam2020 iastrendingtopics upscstrendingtopics iasexam2020currentaffairs upscexam2020currentaffairs topicsprelims2020 topicsmainsexam2020

Tufel Noorani (archer' Ias Academy), 2020-04-12 Every time a student reads a book there is a question regarding the extent to which he she will gain the return on the time and money that he she is investing This is due to the fact that the same book is also referred by 9 lakh other aspirants who are also preparing for UPSC So is there anything that can help you differentiate you from them Based on my experience in this field since 2014 this topic wise breakup of both the Prelims and the Mains UPSC Civil Services previous year question papers of the last 25 years 1994 2019 categorized with weightage 4th ed will help the students get an inference on what topics deserve more time and which ones relatively less It will also give an inference regarding the source of the question what triggered that question and relative changes in the trend and the pattern of the questions pertaining to that topic This compilation is based on my experiences with Salamuddin Ansari Sir his team of lecturers and or content development while working with Lukmaan IAS in New Delhi My criteria is to cater highly filtered

knowledge to the student and this compilation is just the beginning of it My efforts are aimed at training the students to aim at the cornea of the eyeball of the eye of that bird that is sitting on the tree And not a vague or a muddled picture of the bird or the branches or the twigs or the leaves or the trees other associated birds sitting on the tree In summary this effort is to show the cornea of the round black eye of the bird to the students who are 100% dedicated to clear UPSC CSE exams Just like Arjuna s singular focus enabled him to achieve mastery of archery I want my students to clear this exam in their very first attempt This episode in Mahabharata is what inspired me the most and therefore the name of my coaching Archer IAS Academy UPSC EPFO Previous Papers Mocktime Publication, UPSC EPFO Previous Question Papers
