The deadliest things in this world are usually the most beautiful seconds before they attack. Alyssa Coldwell decides to put her destiny as an immortal witch to the side so she can take the chance to live like a normal girl amongst regular humans before she too is part of the fey world. She wants a break from magic and all the dangerous drama that comes with it but life doesn't always let you do as you please. Magic is supposed to be simple; you're either light or dark. But Alyssa is brutally awakened when she learns that life isn't always so simple. There are gray areas and there is more to being light than simply saying you are. But magic isn't her only problem; humans have problems as well. When she meets Kane Ice, she finds herself in a situation she's never been before. She's been sheltered by her overly protective mother, so being with a guy hasn't ever been an easy task. Kane makes it impossible not to try while she can. Though she knows she'll have to leave him once her body turns immortal, she can't help but fall for him. What's the problem with a witch loving a human? So many things. Her world is too dangerous and her attempt to take a break from it fails miserably when her mother is taken captive. With danger always around her, she knows Kane will never be safe. But it's too hard to let him go. Kane's not so fragile though, and he refuses to lose the only girl he's ever really cared for. Secrets are a part of Alyssa's life but she's not the only one with a locked vault full of unspoken truths. When the secrets come out, Alyssa loses all her faith, her will, and her hope.

Warning: This is book one of a four-book series. Descriptive sex, language, and some really hot men.

TUESDAY S CHILD By DALE MAYER

What she doesn't want is exactly what he needs. Shunned and ridiculed all her life for something she can't control, Samantha Blair hides her psychic abilities and lives on the fringes of society. Against her will, however, she's tapped into a killer, or rather his victims. Each woman's murder blow by blow ravages her mind until their death releases her back to her body. Sam knows she must go to the authorities but will the rugged no-nonsense detective in charge of tracking down the killer believe her? Detective Brandt Sutherland only trusts hard evidence, yet Sam's visions offer clues he needs to catch a killer. The more he learns about her incredible abilities, however, the clearer it becomes that Sam's visions have put her in the killer's line of fire. Now Brandt must save her from something he cannot see or understand and risk losing his heart in the process. As danger and desire collide, passion raises the stakes in a game Sam and Brandt don't
