governments were able to choose where when and in what circumstances they would fight which greatly minimized the costs and risks of fighting The Soviet Union on the other hand had no such advantages It had only one war and it was the most terrible one in all of history 4 The Soviet Union had one other advantage as well which was that it alone among the victors emerged from the war with tested leadership [Access to History for the IB Diploma: The Cold War: Superpower tensions and rivalries Second Edition](#) David Williamson,2015-05-15 A new book for Paper 2 World History Topic 12 The Cold War Superpower Tensions and Rivalries 20th Century Readable and rigorous coverage that gives you the depth of knowledge and skills development required for the Diploma Provides Reliable clear and in depth narrative from topic experts Analysis of the historiography surrounding key debates Dedicated exam practice with model answers and practice questions TOK support activities and Historical Investigation questions to help with all aspects of the Diploma Tailored exactly to the Diploma it also helps you develop analytical skills through the widest variety of sources at this level Other titles in the series The Move to Global War Rights and Protest Authoritarian States *The Cold War* 50minutes,2016-04-26 Keen to learn but short on time Get to grips with the history of the Cold War in next to no time with this concise guide 50Minutes.com provides a clear and engaging analysis of the Cold War Following the violence and upheaval of the Second World War the face of Europe had greatly changed and an Iron Curtain divided the communist East and the democratic West Tensions soon mounted between the Soviet Union and anti communist America in a conflict that would continue for almost half a century and at times lead the world to the brink of full blown nuclear warfare In just 50 minutes you will Understand the historical social and political context of the world after the Second World War and how this led to the start of the Cold War Identify key events and figures in the conflict and how they contributed to the war's development Analyse key moments such as the fall of the Berlin Wall and the Cuban Missile Crisis ABOUT 50MINUTES.COM History Culture 50MINUTES.COM will enable you to quickly understand the main events people conflicts and discoveries from world history that have shaped the world we live in today Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery [Reading Through History: the Cold War](#) Robert Marshall,Jake Henderson,2012-09-12 The Cold War from Reading Through History is a collaborative effort of two Oklahoma classroom teachers with more than twenty five years of teaching experience at the secondary level It is intended to be a resource manual for teachers and parents that would make an excellent accompaniment for any history or reading class whether in a public school private school or home school environment The Cold War includes many tools to help teachers and parents facilitate their children's learning experience as they read The guide features historical lessons related to a wide range of topics from the Cold War Era including the Rise and Fall of Communism in Russia Containment the Red Scare the Chinese Civil War the Korean and Vietnam Conflicts home front Civil Defense the Cuban Missile Crisis spies of the Cold War Era the Space Race and the Strategic Arms Limitations Talks Many of the activities included in the workbook are geared toward

S. Government, 2017-09-16 This is a fascinating historic analysis of the fall of the Soviet Union and the end of the Cold War The Cold War s end was sudden unpredicted and the seminal event of the latter half of the twentieth century Since the disintegration of the USSR debate has centered on whom or what was responsible for the end of the conflict Perhaps no issue is as controversial as the role the U S Strategic Defense Initiative SDI played in ending the Cold War Today there are three main schools of thought concerning SDI s impact on the end of the Cold War The first sees the Strategic Defense Initiative as a primary factor in ending the conflict Another argues the initiative extended the Cold War by creating one more hurdle to the negotiations between the two superpowers A third school holds that while SDI had a positive impact on ending the Cold

War it was a secondary factor The third school s position is best supported by the available evidence All of the arguments stem from several key questions The central issue concerns the question What drove Gorbachev s decision to exit the Cold War This thesis rephrases that question more narrowly What were the primary influences that motivated Gorbachev to sign the Treaty Between the United States of America and the Union of Soviet Socialist Republics on the Elimination of Their Intermediate Range and Shorter Range Missiles INF Treaty which arguably ended the conflict and to what degree were they instrumental in its signing Additional questions that will be addressed include the following Did either the Soviet Union s investment in developing countermeasures to the U S defense initiative or its own ballistic missile defense BMD system severely strain the Soviet economy Did Soviet fear of losing a new arms race in light of their economic and technological backwardness as compared to the West push them to negotiate Were there other factors that would have driven Gorbachev to exit the Cold War regardless of the Strategic Defense Initiative

The Cold War in American History and Politics David Krugler, David Tucker, 2018 *The Cold War and the Color Line* Thomas Borstelmann, 2001

After World War II the United States faced two preeminent challenges how to administer its responsibilities abroad as the world s strongest power and how to manage the rising movement at home for racial justice and civil rights The effort to contain the growing influence of the Soviet Union resulted in the Cold War a conflict that emphasized the American commitment to freedom The absence of that freedom for nonwhite American citizens confronted the nation s leaders with an embarrassing contradiction Racial discrimination after 1945 was a foreign as well as a domestic problem World War II opened the door to both the U S civil rights movement and the struggle of Asians and Africans abroad for independence from colonial rule America s closest allies against the Soviet Union however were colonial powers whose interests had to be balanced against those of the emerging independent Third World in a multiracial anticommunist alliance

At the same time U S racial reform was essential to preserve the domestic consensus needed to sustain the Cold War struggle The Cold War and the Color Line is the first comprehensive examination of how the Cold War intersected with the final destruction of global white supremacy Thomas Borstelmann pays close attention to the two Souths Southern Africa and the American South as the primary sites of white authority s last stand He reveals America s efforts to contain the racial polarization that threatened to unravel the anticommunist western alliance In so doing he recasts the history of American race relations in its true international context one that is meaningful and relevant for our own era of globalization
