

Revival God's Way

A Message for the Church

Revival God S Way

Arturo Cuomo

Revival God S Way:

Revival God's Way Leonard Ravenhill, 1986-05 A clarion no compromise call to the principles of biblical revival *Why Revival Tarries* Leonard Ravenhill, 2004-08-01 Leonard Ravenhill's call to revival is as timely now as it was when first published over forty years ago. The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today. *Why Revival Tarries* contains the heart of his message. A W Tozer called Ravenhill a man sent from God who appeared at a critical moment in history just as the Old Testament prophets did. Included are questions for group and individual study. *Revival: God's Way: Experiencing God's Presence at the Deepest Level* Vishnu M. Harbhajan, 2019-02-23 According to an ABC Poll 83% of Americans identify themselves as Christians. Of this 53 % are Protestants 22% percent Catholic 37% of all Christians describe themselves as born again or evangelical which includes nearly half of all Protestants 47 percent. However we all need to ask how viable is our faith. Do we just carry on traditions because of our upbringing or is our faith in Christ intensely personal and inspirational. Boredom should never be a feature of our lives if we have experienced a born again encounter with God. The Body of Christ the church should be the living example of Christ on earth in holiness love and compassion. If these traits are not evident then we do need a fresh touch from God both personally and collectively. This is the thrust of this book. To challenge and inspire the reader to examine his or her life and commit to all that Jesus demands so that He would restore and rekindle His love and grace within us. God wants to work through us and His church but we all have to bring our lives under His agenda and expectations. When this happens the Holy Spirit will explode within us the Life of Christ and our spiritual awakening will have begun. Read pray fully and apply His Word as you work through the chapters. Revival God's way is just around the corner. If our Christianity is dull and boring then we need to know that there is more much more. Jesus came to give our lives meaning and purpose every day of our brief existence and not just for us to identify with a denomination or church. The life of Jesus Christ is meant to be invasive and pervasive affecting every facet of the believers existence. We were destined to live a joyful passionate Spirit filled life a quality of living that worldly wealth sensual pleasure or personal ambitions falls by the wayside in comparison to the abundant life in Christ. Formality passionate less praying and preaching are often the norm. Congregants sometimes attend out of duty and not because of a consuming desire to know the God of the Bible. For non church people or the spiritually insensitive to turn to the church we first have to demonstrate a passion love and intensity that flows out of our daily communion with Christ which will subsequently outshine every aspiration of the non believer so they see and feel that we have much more than they do. For this to happen the church and individual christian must experience a spiritual renewal. Allow God to do a new work in you and in your church be available to Him and say in your heart I WANT MORE. There is no second baptism but a complete turning to Christ giving Him all our sins and personal ambitions and making Him absolute Lord. When that happens there will be a personal spiritual break through and the Lord of glory will no longer be on the

outside knocking pleading and begging to come in This will transform our tastes and goals and affect the spiritually unconnected around us The politicians and celebrities do not have the ultimate answers as they themselves need a Savior but even if everyone can attain the American Dream there will still be a deep and empty feeling of not having personal peace and hope Only Jesus Christ can meet the deepest need of the human race The book is my take on where we are and how we can experience a mighty touch from God if we seek Him His way *Evangelism God's Way Manual* Deborah

Nembhard-Colquhoun,2011-06-13 **EVANGELISM MANUAL** This manual exemplifies the most effective methods of evangelism It also provides many strategic plans and guidelines for effective evangelism All believers particularly those who aspire to be in leadership or are currently in ministry should own this evangelism manual This manual is a much needed resource in the field of evangelistic outreach It seeks to give practical training and equipping to those who wish to fulfill the call of the Great Commission The manual is useful for teaching training witnessing follow up discipleship launching your own ministry and even for acquiring personal knowledge of evangelism **Revival Preaching** Ernest Eugene

Klassen,2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection *Revival Preaching* extracts the most important lessons of Edwards's writings and sermons for preaching in today's world *Love The Heartbeat of God for Revival* Dr. Jo Anna

Watson,2014-06-10 The end times are upon us and since God is more concerned about redemption than judgment He is calling all people especially the church to return to Him in first love We have been given a commandment to love God with all of our mind soul will and strength and to love others as we love ourselves Unfortunately such love is lacking Many are crying out for revival but unless there is a turning back to God with sincere repentance there will be no substance for the fires of revival to be ignited during these end times God's love as does all love demands a response and He is waiting for your response When love is returned wholeheartedly who knows if God will rend the heavens and come down in power thus ushering in a revival that will blaze through our churches and nations bringing the much needed healing to our lands
