Picking up where left off in the bestselling *The ABC's of Real Estate Investing*, McElroy reveals the next essential lessons and information that no serious investor can afford to miss: Building on the foundation of real estate investment; 101 McElroy tells readers how to think and operate like a real estate mogul; The Top Ten Real Estate Markets to Watch; How to identify and close expert deals; Why multifamily housing is the best real estate investment out there; How to surround yourself with a team that will help maximize your money; How to avoid paying thousands in taxes by structuring property sales wisely; Important projections about the future of real estate investment; And more.
