The Rapture 2028: America's Countdown to Apocalypse! David Netherton, 2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing

incompletion Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God s will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14 *The Revelation of Jesus Christ* Jon Scott Birch,2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches *On the Trail of Bigfoot* Mike Dupler,2025-09-12 Join Mike Dupler on his journey of adventure and discovery for the enigmatic giants of the forests I highly recommend this book Loren Coleman author and founder of the International Cryptozoology Museum Refreshing thoughtful thoroughly entertaining Dupler is an experienced investigator who addresses many facets of the Sasquatch phenomenon Ken Gerhard cryptozoologist and author of *Encounters with Flying Humanoids* On the Trail of Bigfoot is a firsthand account from paranormal researcher and skilled outdoorsman Mike Dupler on his many years of investigations into the Bigfoot phenomena It features his own encounters with these enigmatic creatures complete with photographs This plainspoken guide explores a variety of fascinating aspects of the Bigfoot mystery Whether Bigfoot are interdimensional beings or biological or both The similarities and disparities between the Sasquatch phenomena and other paranormal manifestations fairies wild men Mothman and the strange events at the notorious Skinwalker Ranch Bigfoot s origins and their place on the primate evolutionary tree On the Trail of Bigfoot also offers compelling theories as to the origins and arrival of Bigfoot in North

America Unique to this book is a detailed examination of stick structures attributed to Sasquatch providing a wealth of information and reasoned speculation on the nature of these enigmatic calling cards that serve as haunting reminders of Bigfoot's presence. Other evidence examined provides insight into possible communication techniques such as tree knocks and perhaps even a spoken language and an exploration of the implications of Bigfoot's social interactions and higher intelligence.

State of New York Supreme Court Appellate Division Fourth Department , What The Prophet Ether Couldn't Tell Us: Book 2 of 3 Jim Hendleman, 2021-04-13 BACK COVER The sequel to the Jaredite's Civilization What the Prophet Ether couldn't Tell Us is finally out. Book III to shortly follow. Book II tells of the life and times of the Jaredites, the greatest civilization to have ever lived on Planet Earth. It details their earliest beginnings and enumerates some of their many achievements and accomplishments. It is first mentioned within the Book of Mormon in Ether 1:42-44. Ether was later directed by God to remove everything about them save for their earliest beginnings at the Tower of Babel in Iraq and a few brief tales of their spiritual trials and wars up to their final Civil War. Mainstream Archaeology refuses to address this civilization because it would reveal Archaeology's canards about evolution and their false narrative about the Origin of Man. The Jaredites settled and colonized South and North America, Lemuria, Antarctica, The British Isles, and most of western Europe, plus the lands of China and India. For nearly 2,530 years they maintained a world-wide civilization. My research has uncovered many details of Jaredite life and their physical characteristics that the prophet Ether was not allowed to tell us. They built all of Egypt. Their Hindu colony fought at least two internal nuclear wars. They colonized throughout our entire Solar System; most moons and all the planets have their cities mainly covered by 7-mile-high glass domes, except Jupiter and Saturn. These two planets each have possible Star War size moons that could be artificial space stations. Mars used to be a moon to its now exploded primary, which is now the Asteroid Belt. Their Martian cities are so immense that New York City and Shanghai combined wouldn't be considered a nickel in a handful of change in comparison to them. Jaredite leftovers are all over Earth if one knows when to look for them. Book III details a few of their many wars as well as their final Civil War, the first year or two of which were nuclear. Through their longevity, they were able to develop their physics to the point to where they could control the weather as well as to weaponize its component parts. And their final long prophesied death.

Colorado Legends & Lore Stephanie Waters, 2014-08-12 Colorado is steeped in stories as unique as the people who settled it. Each wave of exploration and settlement brought new tales to explain the mysteries of this incomparable place. With extreme weather and breathtaking landscapes, it seems only natural that Colorado could play host to UFOs, stripper lightning, and the Fountain of Love. From creation myths and rumored Aztec treasure to snow snakes and drunken house flies, professional yarn spinner Stephanie Waters turns an eye to the ancient lore of the Centennial State.
